**SPEECH  
OF  
PRESIDENT RODRIGO ROA DUTERTE  
DURING THE 24<sup>TH</sup> NATIONAL FEDERATION OF MOTORCYCLE CLUBS OF THE  
PHILIPPINES (NFMCP) ANNUAL CONVENTION**

[Delivered at the Peñaranda Park, Old Albay District, Legazpi City | 21 April 2018]

Kindly sit down. Thank you for your courtesy.

Meron akong two pages of... three. *[laughter]* I can finish this in about one minute *[laughter]*, to 40 seconds.

Pero po as the crowd would tell you, I am among the friends for the longest time, and of course, to give honor to you also.

I'd like to read my speech and after that, in a few words, bilang kababayan.

Ito pang ano lang 'to, hindi naman ako ang gumawa nito. *[laughter]* Kaya lang for respeto sa tao. Pinaghirapan 'to eh.

The Presidential Adviser on Political Affairs, [Francis] Tolentino; Senator Joseph Victor Ejercito; Albay Governor Al Francis Bichara; Legazpi City Mayor Noel Rosal; the delegates and participants of the 24<sup>th</sup> National Federation of Motorcycle Clubs of the Philippines, led by its President, Jose Marcial Villanueva; other invited guests at hindi 'yung inimbita --- lahat na; ladies and gentlemen; mga kababayan.

First of all, I will read my speech, I said, then after that, I would like to say something, a few words about how our good friend here, Francis Tolentino, helped us.

It is my pleasure to be with you today as you hold the annual convention of the National Federation of Motorcycle Clubs of the Philippines. Thank you for inviting me.

I am glad that thousands of motorcycle riders and enthusiasts are able to attend despite the distance and the busy schedules. [This] highlights your commitment and the organization's mission to promote motorcycle riding in the Philippines.

As an avid big [biker] myself, I feel your excitement in meeting like-minded people with whom you can share your knowledge, skills and experiences. This is the best way to build friendships and learn more from others.

Motorcycle riding is indeed an interesting hobby and will be more fun if you engage your families and friends in this activity that you are passionate about. I ask all the members to cultivate the values of camaraderie, brotherhood and mutual respect within your circle.

While this pursuit enables you to travel and other... to other places, you may always take this as an opportunity to be a part of our collective responsibility to foster solidarity and progress in our communities.

May your trip to Bicol be fun, inspiring and memorable as you come to see the majestic Mayon Volcano and other beautiful destinations in the regions. I call on you to support the development of the tourism industry not only in Bicol, but in the rest of the country.

More importantly, do keep in mind that it is not just purely an adventure when you are on the road. I ask you to promote road safety and observing traffic rules, wearing proper protection, and being --- ito talaga: alcohol- and drug-free.

Magprangkahan na lang tayo. Tatalayo-tayo man rin. Karamihan sa atin disgrasya. It's really the intake of alcohol and doing motorcycle at the same time.

Bihira 'yung ano. Well, of course, 'yung... we all... we will die all the time, lahat naman tayo eh.

Pero 'yung sad stories that abound in our groups, when they talk about it. I was quite surprised that hindi pa maingay ang crowd kasi kung nakainom na kayo, 'yung iba diyan, naka-bikaka na tapos malaki na 'yung boses. At least naka-timing ako na hindi pa kayo naka umpisa.

Alcohol would always be a part of, I mean, a man's company especially the Filipinos. I don't know why but it's the liquor and alcohol abounds during times like these. Pero iwas ka na lang.

You think that... well, it behooves upon your co-rider. Maski na mag-away kayo, sabihin mo na lang, 'Adre, huwag mong pilitin.'

Eh alam mo naman talagang taboo 'yan eh. So you have to insist on the... well, alam ninyo 'yan.

Eh tatalayo may mga security guards man diyan sa building, iwan mo na lang 'yung motor mo. If you cannot take it, do not ride.

Because we... one of us, kaming mga taga-Davao, it would be a bad taste in the mouth to relate it but eh alam mo, mga barkada, grupo-grupo rin 'yan eh.

There is the federation that is the community grouping pero may ano 'yan, may dalawa, tatlo na sila-sila lang.

Eh minsan birthday, they invite the guys to be there at sinabi sa kanya na pauwi na siya alas-syete, sinabi sa kanya na, "huwag na lang muna. Hintayin mo na kung wala nang traffic."

So he finally decided, although he had already imbibed alcohol. It's a sad story. It is a stupid story actually.

It had cost him a friend's life and sadness in the community. Ngayon, alas dos ng madaling araw, wala nang traffic, malinis na 'yung highway, lumabas na siya, hirit na.

Alam mo, sabagay, I said, there is order and always times in our life. There is a time to die, a time to ride.

You [*unclear*] with the rationale of the statement with the... 'yung panahon panahon na, tama man rin.

So I hope that before you go, you really enjoy the ride, humirit siya. Unknowingly, a few kilometers away, mga two, three, eh paatras 'yung isang truck para sa maagang byahe.

Alam mo sa probinsya, hindi pa nag-ilaw, naka-park lang because dahan-dahan 'pag pagaganun ang highway. And here comes the guy, maybe umabot ng I don't know. Talagang dumikit siya, pati 'yung... pati 'yung helmet kasi bumigay.

Hindi kita, hindi ko kayo tinatakot. Kung matakot kayo, mas mabuti. [*laughter*] Tatala wala man, libre man. Wala namang bayad 'yan.

It's just a reminder because of course, as your friend and as your comrade, companion sa riding history ng ating bayan eh I love you all. I love human beings. As a matter of fact, I kill criminals because I love them. I kill drug people because they destroy my country. [*cheers and applause*]

And as I said, those who would want to kill our youth, 'yung mga anak natin, the only treasure. Alam mo 'pag binata ka pa, wala 'yan. 'Pag may anak ka na, ibang istorya na.

You begin to be... he has to behave, there has to be a change of paradigm. There has to be a shift from one of a wayward o walang takot.

There are guys na, "Ah sige lang." Well, if you have a family, isipin mo naman ang iniwan mo. Lalo na kung maliliit pa. It's almost, pagka 'yung if you are you are too reckless really and if you don't mind like dram --- kasi noon malinis pa ang highway.

When we travel the entire Philippines, as a matter of fact, hindi pa malakas masyado ang sales ng motorcycle.

Dito, pupunta ka lang ng casa, walang registration, wala lahat and we have to correct this: ibibigay ang motor sa iyo for as low as P2,000 a month, monthly.

Ang problema, hindi mo naman alam ang gagamit kung sino.

Alam ba niya ang... Pero alam mo, 'yung if you want to know, everybody for those who are not into motors, parang bisikleta, you have the basic fundamentals na. Balancing. Pero unlike a bicycle ho, ang motor, you do not --- kung gusto mong kaliwa, kanan, you do not use the --- it's your body.

You have to --- Parang ihulog mo dito, ihulog mo doon 'yung p\*\*\* kaya nga gumaganun ang training nila tapos ang unang training is p\*\*\*. Gaganun-ganun.

Ang magdala ng shifting diyan sa... ang katawan. At a speed 'yung manibela hindi mo maganun 'yan. 'Yung katawan. Eh ngayon itong walang training sa bukid. Tapos 'yung mga anak niya sasakay.

Well, hihirit. Ngayon, the roads are not really safe at high speeds. Maraming motorsiklo na mura and everybody can afford to buy it.

Tapos nandiyan ka sa highway, akala mo nag-kuwan 'yan tapos marinig niya 'yan, gaganun, lilingon tapos, he will decide even to make a u-turn to see what's the big ruckus kasi maingay ang mga motor natin eh, just to be curious and...

Or bigla lang 'yang... walang mga lisensya 'yan at walang rehistro, walang insurance.

At you know, if you look at it very carefully, there is really anarchy in *[unclear]*. Kulang lang tayo ng... Ang ayaw ko lang rin kasi nahuli na, ipaparking tapos eembarguhin talaga 'yan.

Eh I said, ako pag na-embargo, wala na 'yan. Nung mayor ako. Ngayon, biker man 'yang si... anak ko, si Inday.

If you really want to know how to ride a bicycle --- a motorcycle. You can always join. There's a region per region, there's a regular training of motorcycling know-how.

Ang Highway Patrol... is the Highway Patrol guy here? Nasaan? Highway Patrol, wala?

Well, anyway, I'd like to tell him, just pass it on to him na kung may training, he will announce that 'yung mga bata o tao na gustong sumali, magsali sa training, the only requirement is you're just a Filipino. Period. Huwag kayo mag-train --- maski NPA kasali na diyan para... *[laughter]*

Sinong NPA dito? Marami man dito sa Legazpi *[laughter]* Raise your right --- left hand dito. Mga kaliwa. *[Speaks Bisaya]*

Kahapon doon sa bukid, pahari-hari. Para marunong. Ngayon 'pag lumabas ka diyan sa Highway Patrol na 'yan, you are improved as much as 80 percent. How to *[unclear]*. If it's an imminent crash then what should be the right position inside the motor. Hindi 'yung tatalon ka, madidisgrasya ang spine mo diyan. Magtago ka lang sa... Pero kung 10x10 ang kaharap mo *[laughter]*, maybe you're only...

The government is well on its way towards eliminating the social ills that hinder our country's march towards progress. I seek your proactive participation in nation-building by upholding peace and order, preserving national security and eliminating misfits in our society.

Remember that your greater participation in our fight against illegal drugs, criminality and corruption is crucial to our goal of uplifting the lives of the Filipino people.

Join *[us]* in fully realizing the potential of our country and that of its genuine and lasting socio-economic transformation.

With unity and cooperation, we can build truly robust nation where opportunities for growth abound and where citizens enjoy a prosperous and comfortable life.

I wish you a happy and meaningful gathering.

Huwag ko munang i-thank you kasi marami pa akong sasabihin. *[laughter and applause]*

Sabi ko nga 'yung... There's always a message which I would like to read to be formal about it but I always ask the audience, the Filipino people, total lahat man tayo dito kasali na... it is our country.

Look, what I am really doing is just complying our --- my election promise to the people. And as --- if you remember, during the debates, Presidential debates, I was the first one to finish. You know why? Because I had a very limited program of government.

The very ones that touches the core of what ails this country. 'Yung immediate. So I promised you no corruption. Talagang hindi ako --- hindi ko --- hindi ko talaga tatanggapin 'yang ganun.

The other day I fired two, one undersecretary... Ito mag --- at tsaka mag-warning ako sa inyo ha. I said, when you are fired, it is because of graft and corruption. Kung sabihin mo lang if it's a behavior or attitude on certain matters or before the public, I could al --- I would always say, be courteous to your employers.

Kasi sila diyan ang nagbayad ng sweldo natin. Do not consider yourself, you know, sit on your table as if you are an official. You are not, actually. I don't know who invented this idiotic thing about being an high officials and being treated more than just the ordinary person.

We are workers of government and we are mandated to serve the public. Then you have to be courteous and protect the money of the people.

'Yun lang man dalawa. Na hindi mo sigaw-sigawan 'yung tao at hindi mo ka maghingì, kasi sa totoo lang, kung ang advise ko sa inyo, kayong mga negosyante and to all. 'Pag may magpunta sa inyo --- BIR, Customs, police o kung sinong maghingì, sampalin mo.

Sabihin mo, p\*\*\*\*\* i\*\* ka *[laughter and applause]*, bin... Huwag muna 'yang pakpak, makinig kayo. *[laughter]* "T\*\*\* i\*\* mo, nagbabayad ako sa iyo, bakit ako magbayad uli ngayon?"

And that is why, 'yung pabalik ng pabalik sa opisina, 'yan ang dahilan. 'Yung finire *[fire]* out ko. Wala akong ebidensya, pero kung magbalik 'yung tao, may affidavit ako.

I mean, independently of the knowledge of the complainant, wala naman talaga ako doon sa harap mo eh. But titignan ko 'yung record. Mag-apply. Magbalik. Six times, seven times, eight times.

T\*\*\* i\*\* kayong mga taga-gobyerno, wala na 'yan. It's always *[garbled]*.

Pagbalik doon ng tao... Ito sabi ko sa inyo, huwag kayong magkamali diyan sa maliit na tao. Hindi ako nagpapa-hero. I could no longer be elected after this even as a barangay councilman.

Sinasabi ko lang, hindi ako nagpa-good boy, good boy. Kasi 'yung maliit na tao, 'yan ang walang proteksyon. 'Yan ang walang matakbuhan na kumpare na congressman, governor, mayor, o presidente.

'Yan ang the most vulnerable sa abuso ng gobyerno. Ngayon, walang mapuntahan 'yan kaagad. Magkakandarapa.

Now I have made available ang 8888. Siguraduhin lang ang pangalan mo, wala diyan. Alam mo bakit? Hindi 'yan pupunta sa mga milyonaryo, mayaman. In desperation, magtawag 'yan sa governor o representante o you give them access, tatawag sa akin 'yan.

Ang problema mahiya 'yan. May nakakita ng Malacañan, hindi papasok. Tingin pa lang ng sundalo, aatras na. Ito 'yung mga ignorante eh.

So the technology is there, they can call at sabihin kung anong ginawa nung trabahante ng gobyerno. Anong ginawa tapos I will --- tatawagin ko.

At sabihin ko, kunin mo sa probinsya, patulugin mo dito. I have time, I will talk to him.

After interview, malaman ko then sabihin ko, "execute an affidavit." Then sign it in my presence. Sabi ko, "'yan, 'pag nag --- you tell a lie, you go to prison, naintindihan mo 'yan, 'yan, 'yan, 'yan. 'Pag nanunumpa ka diyan, sabihin mo ang totoo."

Then pagkatapos, tawagan ko 'yung mga assistants o the Executive Secretary, "fire him. Huwag mo ng bigyan ng ano --- fire him."

Hindi ako nagbibigay --- I have zero tolerance sa p\*\*\*\*\* j\*\*\*\*... Ayaw ko 'yan. Sibat. Dalawa ang --- pati sa...

Kawawa eh. Hindi nga sila maka-complain dito sa mga milyonaryo na mga kaibigan nila, pero 'pag nag-complain 'yan sa akin ay nagka-l\*\*\* na.

'Yan ang mahirap kasi pumapatol talaga ako ng reklamo. Lalo na 'yang abuso, especially extortion. You know, 'yung kawawa ang Pilipino eh. Maski 'yan na lang ang pagbabagong makuha ninyo sa akin, tama na 'yan. Huwag na 'yung masyadong...

LTO. 'Yung LTO ng ano. Tinanong ko sa rice trader, "bakit nagkakaganun? Mahal?" Babayad pa sila dito. Ilang checkpoint? Eh p\*\*\*\*\* j\*\*.

Sabi ko, "tanggalin mo 'yang ano. Pati 'yung [unclear] na..." Papasok na empty tapos palabas kung...

[unclear] checkpoint ngayon. I do not allow the LTO. Itong Highway Patrol because somebody has to be there to protect the public. So just the same, I'm warning them: Do not go into asking or extortion. I will fire you immediately. Dismissal. I do not have a tolerance against stupidity and corruption.

'Yan ang una ko. So I said, I will try to stop corruption. I cannot stop corruption but I am trying everyday. Hindi mo talaga matatapos eh. So you have to be very careful about semantics here.

When I say, "stop." 'Pag hindi mo na-stop, 'yung tao, "g\*\*\* 'tong Duterte na 'to, puro pangako." Pero 'pag sinabi kong I am trying, it will be at the expense of government people who are into corruption.

Okay man --- eh kung maniwala kayo... Sus, Liberal walang ginawa 'yan kung hindi...

Magtanong ka lang. You know, wala kang, wala kang makuha sa akin. I do not entertain transactions of government --- ke MRT, ke reclamation, ubusin mo itong dagat 'yang [Buluan?], punuin mo ng...

Ako hanggang appointment sa military and police then I... Hindi ako nagpaparating ng ano. Kaya kaya kong binababoy ang mga istasyon. Kaya kong sabihin si ABS-CBN, kay Gabby Lopez, "p\*\*\*\*\* j\*\* mo mukha kang pera."

Kaya sabihin ko, "p\*\*\*\*\* j\*\* kayong Inquirer." He who comes to equity must come with clean hands. Mile Long, for 50 years walang kontrata, wala kaming makita kung magkanong binayad ng Inquirer pati si Prieto, pati ang doughnut niya.

Eh kasi sila nagmamakalinis. 'Yun pala sila rin ang corrupt. Sabi ko, "kami?" Sabi ko, kung meron ngang sumubra ng 40 million diyan.

Ayaw ko ibigay sa kanila kalaban ko. Pero sa inyo ibigay ko 'yung authorization ko. Tingnan ninyo. It could not go more than one. That is a lifetime savings pati 'yung inheritance ko sa mga magulang ko.

And you will see diyan sa title, the dates, '60s. 'Yun 'yung pag-transfer sa amin, paghiwalay ko sa asawa ko.

Sabi niya, "sige mag-hiwalay tayo pero ibigay mo sa lahat 'yang property mo sa anak ko." Sabi ko, "sige. Walang problema."

Please release me, let me go... *[laughter and applause]*

Tama na kayo diyan. Lahat naman kayo may kasalanan. Hindi ka pa lang nahuli kaya ganun. *[laughter]* Istorya kayo. Pareho man tayo lahat.

Saan si Judge Clavecilla? Classmate ko 'yan sa law school eh. Brod ko ba. Ano na, Noy? Urag-uragon.

So but most of you are my friends. Ngayon, sabi ko, corruption, droga. Sabi ko, I will try to stop drugs. It is destroying my country. It is destroying the youth of my...

You f\*\*\* with this thing, I'll kill you. Ilan pa ang inyo dito? Wala pa? Wala pang umpisa? Nag-organize din ang DDS dito.

Sabi ko, I will talk to the enemies of the state to achieve a peaceful country. I'm talking to Sison now. It's an off and on thing. Probably, ang mga military pati mga pulis may misgivings, but sinabi ko naman sa inyo I am not a President who is a soldier and I am not a President who is a policeman.

My duty, my fundamental basic duty, is to see to it that the country is peaceful.

Ngayon, pa off and on, ngayon bago lang. I created a small window --- 60 days. Proposal ko kay Sison hindi ako magpunta doon sa... Ang pinag-awayan natin ang Pilipinas man. O so pumunta ka dito.

Ako magbigay ng pamasaha, I will pay all your billeting and pagkain. Ito kayong mga guerilla front, you stay in one place, mag-kampo na kayo. Dalhin ninyo 'yung baril diyan sa loob ng kampo ninyo, you [seek?] to tell us where you are, you can go out of the camp, minus the arms.

But I will give you the complete freedom to move. Wala akong molestiyahin. I will order the military and the police to be nice to you.

Take advantage of that 60 days. If it succeeds, then I would like to thank God una and the Filipino people and the military and the police and --- for their understanding.

Eh wala akong magawa eh, I have to seek peace that is to be sought. Hindi na dadating na hanggang dito sige lang ako istorya.

And I cannot [stay?] forever, same with the MI and the MN. But the threat of terrorism remains very high. We are not fighting against our Moro brothers and sisters.

I have my roots sa Maranao. My lola is a Maranao. We are not making any problems for everybody except we talk. Ang problema ang ISIS. But itong ISIS, I will be harsh and it will kill civilians and everything.

I will say it once. It will bring the worst in me. Lalabas talaga ang... Kaya 'yan ang guarantee ko. If I cannot stop you, then makikita mo 'yang totoo kong pagkatao na...

You know, if you can do it, whatever it is, I can do it better, 100 times better than what you can do. Kaya ano lang tayo. Magrespetuhan lang tayo. Tatal, mga civilians, hindi naman kasali 'yan eh. But once you start to mess up with... Hindi ako aatras diyan.

When I told you, "I will promote the economy by just staying away from funds, money, and resources," wala ngang transactions dumadating sa akin eh. Sila 'yan.

If Dominguez is a... eh magkababata kami niyan. Magka silingan. Silingan ba rin tawag dito? 'Yung kapitbahay? Sila 'yang bright. Pati Pernia and DTI, si Mon Lopez, hindi ako nakikialam sa... dito lang ako.

Kaya there will never be a time na masabit nila ako ng transaction. Sorry to say. You cannot even see any initials because they do not go to Malacañan. I have prohibited it.

Better stay in your office. Work on it, ponder on it, sleep on it if you want but come up with something that is good for the country. Wala akong... dito lang ako. So 'yan lang ang trabaho ko. I keep busy by...

Now, dito sa nangyari, 'yung crisis ninyo, I would just like to say a few words. This is not political. Only if you appreciate it. Ito ba, si Francis. Kasama namin ito, lahat kami. Nagmomotor rin 'to eh. You know, he's a very honest and gentle person.

Hindi ko kailanman narinig ito nagsabi, "P\*\*\*\*\* j\*\* ka, patayin kita diyan." Wala.

So sa amin lang, he's my presidential assistant. He works. He's very courteous.

Sabi ko, "Francis, iiwan kita dito ha." Nung unang lumipad ako sa Naga. Try to implement what I promised to the Bicolanos. And he did. At maganda ang labas. Wala akong narinig. Hindi kami nagkulang.

So 'yan lang. Ngayon, kung sabihin mo na babalik siya doon pagka-mayor, ayaw na niya. Gusto niya maging senador.

Eh kung bingi ba naman kayo. *[cheers and applause]* Siguraduhin mo lang hanggang 2022. Kay 'pag hindi siya na-senador, pumutok 'yang Mayon na 'yan uli. *[laughter]*

'Pag sinabi ko sa kanya, "'Adre, ito, puntahan mo nga ito ulit." Sabi niya, "ayaw ko kay hindi man nila inappreciate 'yung trabaho ko noon."

Bahala kayo. Maghanap pa ako ng barangay kagawad. *[laughter]* Ayusin mo nga doon kung anong maayos mo.

Si Senator Ejercito, JV. *[applause]* Sabi ko na, "dalawa naman kayong anak ni Mayor Estrada diyan." Siguro sabi niya, sabi ko, "magbigayan na lang kayo." Sabi niya, "hindi. *[laughter]* Mas maganda 'yan dalawa kami na Estrada sa Senado." *[laughter]* Eh 'di tingnan natin. *[laughter]*

Estrada, Estrada, and Estrada. So sumama sila sa akin because motor. Ngayon, I see a behaved crowd. Hindi pa uminom itong si Kabayo eh. *[laughter]*

Nagalit ako sa kanya noon mayor ako kasi nag-motor kami noon. Itong kabayo na 'to, Kabay --- Eddie, nag-wili-wili siya ng ganun. Eh nahulog. *[laughter]*

'Yung... totoo 'yan, mga taga-Davao. Nandiyan pa 'yan. Ang bike niya tumatakbo sa highway, naka-wili ganun. Nilabang pa sa pikas. (*crossed to the other side of the road*). Lumukso doon sa island, naka-ganun pa rin. *[laughter]* t\*\*\* i\*\*\*\*. Galit ko talaga. Sabi ko, "pandamay ka. Huwag ka nang sumama sa akin ha." *[laughter]*

But we have toured the entire length and breadth. My most memorable photo. That event was --- medyo bata. Mayor pa ako eh. I was standing on a piece of rock. Nakatindig ako. Wala man akong tiyan noon.

Tapos ang background ko ang Mayon. *[applause]* And it was only after I traveled the entire length and breadth of the country na na-in love talaga ako sa Pilipinas.

Kaganda ng bayan natin. Noon kasi --- marami akong classmate na ang... Davao is mixed but 'yang mga Ilonggo pati Ilocano, marami...

Kaya ako, baka hindi niyo alam, nakakaintindi talaga. Bata eh. Mixed kami eh. Kaya naiintindihan ko. Bicolano, sa dormitoryo. 'Yan si Rudy *[unclear]* Ka... ka-dormitoryo ko man 'yan. So 'yun. *[laughter]*

Ano pa ba ang masabi ko para maganda para sa inyo? So I will not tarry any minute... any minute longer. But I'd like to mix with the crowd, 'yang sila Tiboy. *[Tiboy where are you? Ah nandiyan.]*

Kay 'yan man ang leader sa... *[laughter]* So ano... Ano pa ba ang ma-ano ko? I've... I've delivered my message. Wala akong iniiba.

If you do not call it a change, so be it. But I'm trying rito. Pero ang mawala ninyo diyan is corruption, tsaka 'yang... 'yung mga corrupt. 'Yan lang ang warning ko.

Isang --- 'pag nag-issue na, kaya --- Nakalimutan ko uli. Kayong napa-sibat sa gobyerno, meron talagang affidavit 'yan.

And here comes the guy saying, "ah, hindi kami magka-intindihan sa Endo kasi ganun, ganun."

'Adre, you better shut up or tell the truth immediately. Kasi 'yung affidavit na pinirmahan sa harap ko, bibitawan 'yan, ibigay ko sa media. Then I would ask the... to endorse it to the Ombudsman.

Ako, ayaw ko eh. Kaya... Kaya 'yan si Sereno. I am not into the habit actually, 'yang mag-ano ng tao.

Pati si Nograles, 'yung Speaker noon. Sabi ko, "'pag makita kita, p\*\*\*\*\* i\*\* mo. Sasampalin kitang y\*\*\* ka. Ewan ko kung hindi kita barilin."

Pero ngayon, kaibigan na kami kay wala naman siya. Maglakad medyo ano na. Nauuna na 'yung... *[laughter]*

Ilang... ilang kaso finile (file) niya sa akin? Umabot ng Supreme Court. Acquitted ako. Hindi naman talaga ako nag-aano ng...

Marami akong mas... maraming masabi ninyo sa akin. Pagkatao, marami. Plenty. Saan ba magandang mga Bicolana dito? *[laughter]* kay mag-shake hands ako sa inyo.

Pero 'yung pera, corruption. Marami --- ako, dalawa ang asawa ko. Kayo, ilan? *[laughter]* O, prangkahan tayo dito. Ako, tatlong girlfriend ko. Kilala ng mga taga-Davao. Kayo, ilan? Ah wala. *[laughter]* No match. *[laughter and applause]*

Eh itong mga riders, maraming sinasakyan 'to. *[laughter]* T\*\* i\*\*. Hindi lang kabayo or ayun o. Lahat 'yan. Kaya kami magkakaibigan kasi ganun 'yang mga buang na 'yan. *[laughter]*

Salamat po. Thank you. *[cheers and applause]*
