### **Speech of President Rodrigo Roa Duterte during the Peace and Order Summit for Barangay Officials**

[Delivered at Ibalong Centrum for Recreation, Barangay Bitano, Legazpi  
City, Albay | 08 February 2019]

Maraming salamat po. Kindly sit down and thank you for your courtesy.

I'd like to mention my entourage. Interior and Local Government Secretary Eduardo Año *[applause]*; Agrarian Reform Secretary John Castriciones *[applause]*; Presidential Assistant --- brod ko 'to. Gwapo kaya -- - for Bicol Affairs Marvel Clavecilla *[applause]*; Region V Peace and Order Chairman and Albay City Mayor Noel Rosal *[applause]*; mga opisyal ng barangay ng Rehiyon V; mga kasama ko sa gobyerno; mga kababayan.

I flew about 45 minutes. But it seems that I have about two pages to deliver and after that we go home. I do not think that you'd be --- hindi naman --- not inappropriate, inadequate rather.

I wouldn't read my speech but maybe if we have the time and if you can still bear it, to do justice to the guy who wrote this piece of speech then I will read it to you.

Alam mo, I'd like to remind again everybody that this is election time and that we all expect, not only me, every Filipino would like to see a peaceful, honest, and orderly election.

May I remind everybody na ako mismo, personally interested and I think everybody else in government. I can assure you that the Armed Forces and the Police will never side with anybody, any candidate, or for any issue for that matter that is submitted to the people for their resolution.

Hindi ho ako makialam sa politika. But I will be campaigning for those people napagkautangan ko ng loob. The Cabinet members --- including your special assistant here who was my classmate and brod ko --- sinabi ko sa kanila, though the law allows you to campaign just like the President, but I would insist na huwag kayong makialam. Because not only would they bring so many issues with them, pati na 'yung sabihin ninyo na ginamit 'yung gasolina, ginamit 'yung sakyan ng gobyerno, 'yung eroplano.

So just to do away with those issues and to make it really equal for all, nobody uses government property or funds because that is not allowed by law. So ganun lang kasimple ang buhay natin sana. Kung masunod lang natin 'yan.

Whether you are really for me or against me or I have a candidate which I have favor, by reason nga sa sentimento, hanggang diyan lang 'yan. Do not overdo things and I hope that we can reduce the violence to the barest minimum.

Ako mismo, I said though I am predisposed to campaign, kokonti lang naman ho ang tao na papasalamatan ko. In Luzon, it could be Imee Marcos, then Abet Antonio of Bataan. Those were the only guys who showed an interest to see me as President.

Sa Visayas po where I come from, Cebu, wala ho akong utang na loob doon except ho 'yung mga first cousins ko. But all others in that hometown of my father, I never had any leader. Manila, wala. Ni wala ako isang barangay.

Though here, well of course you know what happened. Somebody finally changed their sentiments and of course Governor is here. I would like to thank him for that. Sa Visayas, ni isang barangay kagawad wala ako.

So as you can see, I'm not bragging but rather I'm saying that if ever I campaign for anybody, it's gonna be a very, very limited activity. Not only because --- I don't know about you but mabigat kasi sa amin 'yan, ang utang na loob.

So my mother is a half-Maranao, father is a Visayan. In both of those tribes, mabigat sa amin 'yang utang na loob. So hanggang diyan lang. And I except everybody not to be carrying too much --- one too many firearms. You'd be limited to two in uniform and it's gonna be the police who provide for that.

Any politician, whether for or against me or my administration, are bound by the same limitations of law. That is the Alunan doctrine which I am adopting because it is good for the country. Nobody, no politicians would go around with long firearms.

Kayo pa naman --- kayong mga komunistang nakikinig, if you really find it in your heart to be a participant of an exercise of the people to choose their candidate, kindly do not mess up with it. If you still want me or maybe

hoping to talk to me with the remaining three years, I'd like you to honor this tradition of our people.

Hindi na bale sabihin nila na parang aso ang ugali niyan. That is none of your business because if it is the will of the people, kanya na... That's democracy. Wala tayong magawa.

So you go around. Security will be provided. If you think that you need an additional protection of your life, then write a letter to the PNP Chief and he would maybe give you a set-up where even the Army can shadow your movements.

But I want the Armed Forces and the Police to stay strictly neutral. Ang mga taga-gobyerno, including the Cabinet secretary, I have not allowed them to do some campaigning for or against anybody. Iyan ho ang maibigay ko sa inyo ngayon.

Then... You know, pinuntahan ko dito, in the hope that maybe my presence, however short, however brief, I can talk to the leaders and say do not do it because if you will do it, away ang abutin mo sa akin. And if you come to --- become you --- a very violent person, then I will confront you personally kasi trabaho ko 'yan. Gusto ko lang tabla.

Eh sanay tayo ng magulo na eleksyon eh. Terrorism, magnakaw ng balota. Ang mga NPA, kayo nakikinig kayo ngayon, kung gusto talaga ninyong tumulong, stop the extortion. Those are one of the things that I have just --- when I was shooting the breeze with some of your guys. You will have to stop extorting money and 'yung taxation ninyo.

I said I will guarantee na ako na mismo ang gagastos sa talks. You can come courtesy of the money of the people of the Philippines. Wala akong pera. You can come and be billeted in simple hotels because luxury is not for us. And you can come in peace. Hindi kayo huhulihin.

But one of the things on a long view, but afar, if you can't stop extortion, you have no business... Hindi ka nga... P\*\*\*\*\*... Hindi nga nagkukubra ang gobyerno, kayo pa. So...

We don't even ask a single centavo and you are there giving permits. So you compete with government. So it is as if there is two governments in this Republic and so hindi talaga tayo magkaintindihan niyan. Away 'yan and maybe it would --- this struggle of yours which is totally useless and inutile will go far beyond my term. Kayo...

Hindi ako pwede ng... We used to be, also with social conscience... When we were students, some of us were left-leaning, some were rightist. Kami namang taga-Mindanao, because we were migrants, so the issue of land reform has always been bogging the Philippine society, even before.

As a matter of fact, sinabi ko sa military pati sa police, the struggle by the communists will never end until mabigyan natin ang Pilipino, hindi 'yung komunista. I give lands to everybody. I give lands to everybody. Hindi ako namimili. And I don't want to be selective about it.

If a certain area is open for exploitation, it should be for all, not only for communists. I will not do you a favor at the expense of the other. Tabla lahat. But you will have that. To date, I have distributed... *[Sir...]*

During my announcement. Ayaw ko lang magyabang at ayaw ko magdala ng TV. If you have noticed it, I do not want praises and adulations. I've enough of it. I've been mayor for 23 years. Every time I appear in public and even at the gate, pati 'yung guwardiya magpakpak nang pakpak nang pakpak. I do not need it. As a matter of fact, I hate it.

Kagaya 'yang Boracay na 'yan. Nilinis ko. But I never went to Boracay. The day before nandoon sila Secretary Año, General Cima, sila Berna Puyat and they were --- more or less expecting that I would be present. When I saw the buntings and banners, "Maraming salamat Pangulong Duterte." Nakokornihan ako niyan. But sinabi ko sa kanila hindi ako pupunta.

I went there one day, gabi na. 'Yung likod ng Boracay, the lands there are already worth millions.

Merong balita na "Ito nilinis ni Duterte, pinaalis niya kasi ibigay niya sa mga Intsik, ibigay niya sa mga mayaman, ibigay niya..." Well, I said "F\*\*\* you, you just wait."

Now, pagkatapos tinawag ko si Secretary Casticiones. Sabi ko 'yang lupa na 'yan sa likod ng beach, i-land reform mo, ibigay mo sa mga natibo, period. Sinabi ko sa mga natibo, it's already worth millions. Now, 10 years from now, because you cannot sell it, let your great-great-grandchildren enjoy.

Para naman 'yang katribo, kadugo ninyo makahawak ng pera na milyon. And I hope by that time wala na tayo dito sa mundong ito, that will also have a chance to improve their lives.

Wala na kayong makuha diyan sa Boracay na... It's closed to the rich people. What remains there, para sa tao lang. Hindi ako nagpapa-hero. It's

not a matter of making myself smell good. I don't need it. Sinabi ko, I hate it.

Ito trabaho lang. Iyon ang trabaho ko. Iyon ang sabi ko. That's what I'm --- I took my oath... So ganun. Tatal hindi naman rin ako naghirap, may konti naman akong lupa. Bigyan mo ako ng 20,000 hectares. What will you do with a f\*\*\*\*\* land? Saan ako mag...?

Iyan ho ang... I have a --- I'll go to Maguindanao? Bicol tomorrow? [*How many land titles again for this...?*] Yeah, 2,000 hectares sa Buluan. That's in Cotabato.

Then I'll go to Bicol. Isa pa 'yang Bicol mga... You know... I was listening to Sison, most of you did not. I understood the dimensions of socialism. Most of you could not. Hindi ko kayo iniinsulto. Tapatan lang tayo ng istorya.

I was once an apostle of Sison. We were the first members of the Partido ng Bayan, ako pati si Bebot Bello. Pero nandoon na kami right after the Cory revolution and they started meetings and nakita ko 'yung mga hardcore.

Sabi ko kay Bebot Bello, "Adre, hindi ako pwede diyan." You know, we can confiscate all the lands and give it to --- to everybody who wants it. But 'yung armed struggle, hindi talaga ako pwede diyan. I simply cannot kill a Filipino for a cause.

Kaya ngayon na Presidente na ako, that's about 60,000 hectares all-in-all. Hindi mo naman kailangan mag-komunista but... P\*\*\*\*\* i\*\*. Papel lang 'yan. I will just say to Casticiones, "Maghanap ka ng lupa. Unahin mo 'yung sa gobyerno. Itapon mo na 'yan."

There are just mountains there and plateaus that has served nothing for our country. Ibigay mo na. Ibigay mo na lahat ang lupa ng gobyerno. And if government wants to acquire land, then we will buy.

But ngayon ibigay mo na. Pati 'yung mga reservations ng Army. Ilagyan ko kung ano-ano. Tatal ang army naman maski saan mo ilagay. And even Camp Aguinaldo will be given to them as a seed money for additional benefits, wala talagang pera eh.

But we --- if we give maybe Aguinaldo sa kanila, hindi nila mapapagbili. But they can enter into a usufruct for 50 year. Bilyon 'yan. 'Yun ang seed money ng GSIS nila. It's gonna be a separate entity.

The practice now is that they have their own managed by the Armed Forces. Problem is si Secretary Dominguez does not want it. I don't know why but he says no. They must have their own GSIS and maybe for better management.

He does not know. Alam mo, wala naman akong tinanong pa. Ang sabi niya hindi talaga pwede. That's too big a money and it has to be managed by finance people.

Kayong mga komunista... Sino ba 'yang p\*\*\*\*\* j\*\*\*\*\* Sison na 'yan? Diyos? Ni-hindi ninyo nakita, ni kuko hindi niyo nahawakan 'yan. And you pretend to me that you are all Roman Catholics. Kayong mga Komunista, pupunta kayo ng mga pista, magsisimba kayo, sometimes.

I hope that you do not believe in God. That's better for you. But you continue to band around as Roman Catholic Church. Then after hearing mass, you go to the mountains and kill people. What kind of a s\*\*\* is that?

You explain to me. Ako, wala akong Diyos. May Diyos ako, different from yours. Kanya-kanya tayong image ng Diyos eh. Now, makita ninyo.

The Pope is in Dubai. He admitted yesterday na 'yung mga madre, 'yun ang konsumo ng mga pari. Really.

You read the... Hindi ako nagpapatawa. And I will not joke or crack a joke about that. Sinasabi ko na sa inyo eh. The Church has to reform because... Well, ako Presidente hindi na talaga.

Early on, sinabi ko inabuse (abuse) kami ng mga pari. Ilan kami? Ewan ko. Basta ang mga classmate ko diyan kasama ko pa sa --- the most prominent is Secretary Dominguez. He was a valedictorian from kindergarten to college.

Pero... Ewan ko kung anong nangya --- anong ginawa sa... Hindi naman abuse but they were groping our balls while we were in confession. Sabi ko na nga tao lang 'yan eh.

And if you read... Try to get a book. For you guys who are rich and can go to abroad. Get a copy of a book. The title is "The Popes." Plural. I am going to give you a book and you read it. And tell me at the end of the day if I am a liar or that I am wrong.

I will ask you to go to Malacañan. State your case in front of the camera and if you are correct, I will resign.

*[Bigyan mo nga akong libro]*

But first... Lalo na 'yang pari sa Quiapo masyadong anti-communist. Well you better read yesterday's newspaper pati 'yung balita --- in the crawler. 'Yung tumatakbo diyan na balita. The Popes. And they were --- ang konsumo nila mga madre.

I apologize to the nuns. Meron akong apat na madre na tiyahin but you know I am just telling you the truth. 'Yung isa... Kasi mahal man 'to tsaka walang kopya.

Have you read Altar Secrets? Ah nabasa ninyo? It's all there. Bacani is on the first three pages. Now, you read this book then ask my presidential assistant to bring you to me and I will arrange a public debate.

Now, tell me right in the face I am a liar. But read the book first. Fair is fair. You know, separation of Church and state. I've been telling you that. You can attack me but attack me outside of the realm of the religion.

If you are a Filipino priest, go out of the pulpit. Do not use religion as a platform to criticize us because the danger is --- iyong pag-resbak, ganun na nga nangyari ngayon.

Sabihin, "Ah, Duterte maraming babae." Marami akong --- I never denied na maraming --- karaming babae dito. Anuhin mo man 'yan? Itapon mo sa dagat? Karami niyan.

Sabi nila, "Duterte, pumapatay ng tao." Totoo 'yan. Never mind about the extrajudicial killing. But enough of that kasi wala na tayong oras.

Who wants this book? Oragon eh. *[laughter]* Magbili ka ng iyo, itong classmate ko na 'to.

*[Ah binigyan na kita?]*

Who wants another...?

Should be a lady. Ipasa mo sa kanila pagkatapos. Then when you face me, I want you to be utterly, utterly honest because it would cost me my position as President of the Filipino. That's the deal.

Kung pagkatapos niyan, if you find it in your heart to change gears, you can always...

*[Brod, nagsisimba ka pa ba? Akala mo madala 'yan sa confession ha]*

Eh sa eskwelahan, kalaban man namin 'yung mga pari. Hindi 'yun --- that's the second part really. Ang first part dito, nandito ako to tell you. Remember this, Bisaya lang ako, maybe not familiar with the ways your --- mores ninyo or your subculture.

But you will remember me. We talked of the Republic of the Philippines and the people of the Philippines and the country and its territories.

Telling you, two things to remember: To remember me by not as a hero, not as an idol, not idol, idol wala. Just remember as a government worker, period. Kami lahat. Pulis, mili --- walang colonel, colonel, presidente diyan tingin ko.

We are workers of government. We are paid to do what we are doing and what we must be doing it right. Wala... Kaya ako patawag, tawagin ninyo akong mayor. Minsan tawagin niyong presidente. Hindi ko kayo pinapansin. Tanungin mo 'yan sila.

Because I have --- kasi sabi nila, "Ito si Duterte, parang hindi Presidente. Ang bunganga bastos. Nagmumura. Naninira ng tao." No, I'm not into --- I'm not up to it actually. But I tell the truth. Stickler talaga ako.

Gusto mo malaman? Anong gusto mong malaman sa akin? Sabihin ko... Asawa? May dalawang asawa ako. Anak? May anak ako sa isang asawa ko. May --- tatlo sa number one.

Huwag mo lang sabihin kay Inday kay... Makinig 'yun, mag-init ang ulo baka masuntok tayo. *[laughter]* Matanda na tayo eh.

You know, sabi ko sa inyo, be careful. When she was running for vice mayor, I was putting her on deck to be mayor. Sinabi ko talaga 'yan and I remember. May anak ako gusto kong ipalit kasi gusto ko ang Davao mahawakan. Ito, sabi ko, anak ko ito. Kaya niya pero bantay kayo. Bantay kayo sa babaeng ito kaya talagang nananapak ito.

Maski sa akin, sumasagot 'yan. Ayaw ko na lang makipag... She's really... But when I separated from my first wife, she was the alpha. "Pa, 'yung pera namin, 'yung tuition namin, baon namin, lahat. Balikan ko ngayon hapon. 'Pag wala ka, huwag ka magpakita sa akin." Ganun magsalita ang anak mo, hindi... Mangutang ka na lang kung wala kang sweldo. "Pssst, pahiram muna diyan kasi..."

Sweldo ko? 300, ah 200. No, mga 197,000. Dalawa ang pamilya ko. Sabi niyo nangurakot ako? Well, I'll tell you. Tanungin mo lahat Cabinet member. Ayan sila. Walang transaction sa gobyerno involving money na dumadating sa lamesa ko, whether it is for reclamation, whether it is for a train, whether it is for highway, barko, eroplano. It begins and ends with the Cabinet member.

Ngayon, 'yung reclamation kinuha ko. And meron balita diyan nag-walkout ako. Kasi may mga dumating sa'king reklamo. Sabi, pending diyan sa conversion sa DAR. Hindi kasalanan --- bago lang ito si Castriciones eh. 'Yung si Mariano. Two years na, tapos may isang application sa awa ng Diyos, 25 years sa NEDA.

So when they were presenting it, tumindig ako, sabi ko, "Look, I beg your indulgence. May I be allowed to go out of this Cabinet meeting?"

Sabi ko kay Medialdea, sila kahapon, kayo na lang magusap diyan because the way that you are presenting a graft-free rules and regulations, it ain't nothing but crafted really, not by them, itong sabi kong gobyerno na wala itong katapusan.

Even if we elect five leaders or five --- one guy and let him handle government for five terms, wala talagang mangyari. I assure you. Remember this tonight.

Kasi pinadala ko sa kanya, kay John Castriciones. "Tell me what happened." O sige, ito. So ang bago, permit clearance from LGU, conversion clearance certificate, local government, certificate of clearance from DENR, from SWD, clearance from NEDA at ang 'yung pagdating sa NEDA maghingì naman ng clearance doon sa kanya, dalawang pages puro clearance.

Magprangka na lang ako. Local government tapos clearance, clearance, clearance, clearance. About 30 clearances, there is always a table there for corruption. Iyan, 'yang sabi ko, p\*\*\*\*\* i\*\*\*\*\* 'yan. The third president from me will be the one who will be acting on that clearance.

It is so crafted, ang ating gobyerno, precisely to eradicate. Pero alam mo, 'yung clearances, clearances, clearances, pati business permit, t\*\*\* i\*\* ka dumating isang buwan, dalawang buwan.

Well, if you are in Davao you are lucky. I'm only given --- ngayon kay Inday 24 hours. Ako, three days.

You do not comply with that, you have to explain to me why it took you so long. And if I'm not satisfied you are sent to the [unclear] or I assign you to the rural area to suffer. At sabihin ko doon sa mga NPA, patayin mo na 'yang p\*\*\*\*\* i\*\*\*\*\* 'yan. Walang silbi 'yan.

Kaya ako nag-walkout. At after that, nag-speech ako doon sa newly appointed, sabi ko, walang pag-asa 'to, bayan na 'to. Believe me. So pero ako ngayon, where I stand... Madali na lang ito five minutes na lang ma'am. Humahawak ka na kasi ng tiyan mo eh. Do we have a visitor? Or you're just plain hungry?

This country can hardly move if there is no law and order. Second, this country will be lost if graft and corruption will continue. Tandaan ninyo 'yan. Order, nandiyan ang drugs. Sinasabi ko na nga eh, p\*\*\*\*\* i\*\* ka, if you are into drugs...

Kayong mga human rights ha. Makinig kayong mabuti. You are so worried about one son of a b\*\*\*\*\* patay diyan. Human rights ganun, family man. Blah blah blah blah blah.

Anong sabi nila ngayon? There are now three million addicts in this country. Mabuti 'yung p\*\*\*\*\* i\*\* pinatay mo, tapos na 'yung problema nila. But once you contaminate the head of the family, instead of bringing the money for food on the table or for the expenses of the children sa eskwelahan or 'yung gagastuhin medisina, magpunta siya sa droga, eventually it's 200 per shot.

So kung 300 lang ngayon ang sweldo nila, ano pang kakainin nila? It creates a dysfunctional family at marami 'yung pinatay ng p\*\*\*\*\* i\*\*\*\*\* 'yun. Marami 'yung pinakain na droga mga anak. If you want to destroy an enemy, all you have to do is make her daughter and son an addict. Then everything else follows.

Hindi na magtrabaho, maghintay na lang. 'Pag walang pera, magnakaw. 'Pag walang pera, ipagbili kung ano-ano. Then eventually, they will go into robbing people and killing them. Ganun 'yan. Because when the monkey rides at the back, 'pag dumating na 'yung panahon na kailangan niya, gaganun 'yan. He becomes an ---- and he becomes crazy.

So ilan 'yan? Ang pusher kung may mabikti --- kasi itong pusher na ito will have to look for another one to finance his habit and this one will also contaminate another and so on and so forth.

Ito? P\*\*\*\*\* i\*\*\*\*\* 'to, kung totoong pinatay? Tama. Kasi ako sabihin ko sa inyo ngayon and I've been repeating it all along. Do not destroy my country, lalo na sa panahon ko. Do not destroy our children and our daughters.

Kahapon 'yung kay Ashley, 'yung bata na namatay. Parents went there sa opisina ko. Kaganda ng bata, 19 years old, medical student. Ang human rights wala akong narinig sa mga p\*\*\*\*\* i\*\*\*\*\* 'yan. Ilang pamilya 'yan matatamaan? Ilang tao sa isang pamilya?

Sa isang taong dis... Kaya sabi ko, pumasok kayo diyan papatayin ko talaga kayo. Nakikinig ang human rights, judges. Kung wala na ako sa opisina, go ahead make my day. 'Yung mga galit na pinatay, pinatay ko daw, puntahan mo ako sa bahay.

'Pag tulog ako, gisingin mo ako, pagbigyan kita. Mga p\*\*\*\*\* i\*\*... Hindi mo ako mapa-ano diyan. Ako nagwa-warning. Kaya pagka meron kang anak, meron kang kapatid, then do not cry. P\*\*\*\*\* i\*\*. He who is the cause of the cause, is the cause of them all.

Kaya kung ano ang nangyari sa iyong g\*\*\* ka, l\*\*\*\* ka, iyo 'yan. Kalimutan mo ang batas kasi hindi ka na lang din naniwala ng batas. Bakit ako? Naniniwala ako ng batas? Puro man kami abogado. Eh si Marvel naging judge.

Itanong ninyo ugali ko. Ah he knows me, ilang taon kami nag --- brod ko pa 'to. So 'yan ang... Because alam mo, let's just... Kay Bato, Bato said officially nakita ninyo sa TV. Payat, hindi kumakain 'yan, kaya ganun ang mga itsura niyan.

They don't eat. Wala silang appetite. Sabagay kung magkulang tayo ng bigas, okay lang man sana, shabu na lang ibigay natin rin. Lalo na dito kung magputok itong --- itong Mayon naman, always threatening. You better be quiet there and stand properly.

Titingin ko ngayon kaganda ng Mayon. Kasi kung meron nanamang evacuation, bigas na naman. Sabagay kung talagang wala na, 'di shabu ang ipakain ko. Sinong gusto? Walang appetite puro naka-diet. Eh para patayin na lang kita pagkatapos.

Alam mo, one million six. Noong papunta ako ng pres --- mayor papuntang ngayong trabaho ko, kinuha ko si Bato kasi si Bato ang... 'Yan si Escobal, taga-rito man 'yan. Sila, but hindi man siya ano --- qualified pa.

Kinuha ko siya sa pagiging Chief PNP. Sabi ko, "Bato, buksan mo lahat." Kaya sabi ko kasi nagyabang ako tatapusin ko ito, six months. Isip-isip ko talaga matatapos ko six months.

Lahat madaanan ko diyan sa Malate, Ermita, Boulevard, patayin ko lang 'yan. Saksakin mo, barilin mo, tapos na. Tondo.

Noong na-Presidente ako, sabi ni Bato, ito 'yung totoo. Paano ako maka-solve ng six months, ang kalaban ko Bureau of Customs, police generals. Lahat nandiyan sa NAIA. Ang kalaban ko, gobyerno ko mismo.

So anong magawa ko? Sila 'yung unang pumapatay tapos sabihin nila i-charge nila sa gobyerno. Kasi pinapatay na nila because at that time lahat nagkakantahan na.

Sabi ko, kung ganun, o 'di sige. Gusto niyo patayan? Gusto ko 'yan. Pagbigyan ko kayo. Sino pang gusto mamatay? Sige. Talagang papatayin kita. Sabihin mo na ano... Ang hindi ko lang kaya patayin, babae pati bata.

In the so many 24 --- 23 years of my mayorship. Talagang sabi, lumayo ako diyan. Hindi ko kaya magpatay ng babae. Lalo na kung maganda. Sus maryosep.

Wala man eh. Ang pulis sabihin man, "Sir, maganda man ito. Ibigay mo na lang sa akin. Regalo mo."

Walang magpatay ng... Kaya sabihin mo mga bata. Escobal, matagal 'yan, Bicolano 'yan. Matagal 'yan. Siya 'yung sa pulis sa component sa PSG. Papunta rin 'yan ng... 'Yan ang mga kilala ko eh. They were assigned. As a matter of fact, they grew up in Davao. Talagang ano 'yan sila...

Bato, ito sila. Sabihin ko sayo, 'yung mga dumaan ng Davao, because siguro dahil sa... Patanong mo sila, personal kayo magusap. They are fundamentally honest.

Kung sabihin mo nag-corrupt itong mga pulis ko sa Davao. Davao walang humihingi. Pumunta kayo ng Davao. Tingnan ninyo ang Davao. O tingnan mo ang progress ng Davao. Meron durugista pero, one or two. Wala talagang kagaya noon na left and right.

Dito sa Maynila, ang problema dito kay hindi man maniwala, akala siguro ng mga buang na nagbibiro ako. Basta bayan. Sabihin nila, si Duterte pinapatay 'yung mahirap. P\*\*\*\*\* i\*\* mo. You understand the problem.

Shabu is the commodity for the poor. Ang cocaine ang sa mga mayaman pumapasok na rin. Nandito na ang golden triangle. Nandito na ang [Sinaloa] ng Mexico. They are establishing ties worldwide. Kaya wala akong choice 'pag ganun na, except to declare war and kill them. Bantay kayo 'pag nagkita tayo.

You can do business here. Okay lang. If you are a Filipino associate. Dalhin mo talaga nang mabuti. Because pag naamoy ko 'yan, you say goodbye to your family. You will die. I will assure you.

Kung hindi ka pinasok ng bahay, paglabas mo o pagtrabaho mo. Saan ka pupunta, talagang... I will stalk you and find the opportunity to make you happy. Ayaw mo pa 'yun? Tapos na ang problema mo. Mamatay ka. 'Yung delivery mo sa shabu, okay na 'yan. Kalimutan... Sa mga kasalanan mo sa pari, 'pag magkumpisal ka. Lalo na tuloy ang p\*\*\*\*\* i\*\*, papatong 'yung kasalanan mo. Kaya 'yung pari, dahan-dahan kayo kasi...

You know what's funny is that once upon a time a student of Ateneo de Davao, sa law school ko, kami ni Judge Clavecilla sa San Beda, puro pari

'yan. Hindi ako nagkulang sa... But not the kind of religion. Maggalaw ng mga bata, maraming kabit, may isang pari hanggang ngayon wala pang nademanda kasi last seen 'yung kabit niya nabuntis, namatay. But he goes around scot-free.

May pari naman na nakuha ng pulis, 'yan sila. Naggawa ng matrix. Asawa ng fireman, asawa ng NBI, asawa ng teacher, nandiyan siya sa gitna tapos mabait daw na pari pinatay daw ng gobyerno. Aba p\*\*\*\*\* j\*\*, bakit kami magpatay ng pari na ganun, na pareho man ang sakit namin. Sila merong mali diyan. Sikreto lang. Kung makalagas lang sa kampo ng... Meron 'yan lahat, maniwala ka.

Itong mga pulis. O kunwari hindi nakikinig. Bakit kami magpatay ng mga playboy na pareho man ang skait natin. And so 'yan ho ang pinuntahan ko dito.

Actually it's the law and order and 'yung --- the scourge of shabu and corruption. Ang corruption talagang wala. Tao na 'yung sabi ko na...

Two years has to do a lot of explain --- pagsabi ko sa kanya paalisin mo na lang. Pati Cabinet members halos buwan-buwan ako. Meron kaming apan. Bisaya 'yung apan.

Meron kaming sarili ring frailty. The human frailty. All men are made of feet of clay. Lahat tayo. Pero 'yang corruption. That's why I made myself unable to commit graft because wala talaga. I do not call them. Wala ako ni isa tinawagan. Tanong ninyo pati 'yung military. Hanggang front lang ako. Never called Lorenzana, wala lahat.

Kasi si General Escobal, nasa likod lang 'yan ng bahay ko. Salita lang ako.

*['Yung cellphone ko pakikuha nga]*

Pakita ko sa inyo. May message. Yesterday, I shall love you forever, yes. *[laughter]* I love you and I only live for you.

Dito tayo sa... *[Saan na 'yung listahan?]*

Hindi ako marunong nito. *[Saan ba 'yun hanapin? Hanapin mo nga 'yung listahan ko, 'yung directory ko]*

Hindi ako marunong nito. Ito ang cellphone ko. Sabi ko sa inyo, 'yan ang bago...

Kailangan may ebidensya ka rin kasi... Ito ang ginagamit ko. Kasi ito hindi ako marunong. Tinuturuan ako ng --- itong mga babae. Eh nakalimutan ko. Pagkainumagahan, 'yung protocol 'yung --- saan ba ako pupunta. Sige ako ganun, iba-ibang... T\*\*\* i\*\*. Ganun ako...

I did not know na nag-create ako ng sariling mga listahan. P\*\*\*, na-send all ko pala. Tapos nag --- birthday niya eh. Ganun, ganun. Sus. Nakita ng lahat hanggang L.A. "P\*\*\*\*\* i\*\*\* mo Duterte ka." Mas mabuti. Kaya ako careful ako ngayon, wala ng --- wala akong Viber, wala lahat.

Huwag na kasi... Uwi muna kayo lahat, kayo. 'Pag maguwi kayo basahin ko. Pero noong estudyante pa kami. *[AB tayo noon?]* May taga-Naga na na-in love talaga ako. Napakaganda. Balik-balik ako dito noon. 'Yung mga brod. Her name was *[Angie?]*.

Ewan ko where is she. Hanggang ngayon 'yung picture niya, nasa libro ko, sa law school na. I think --- basta page ganun. Kasi mawala eh. Ang ginagwa ko 'yung mga picture ng babae nilalagay ko sa libro para hindi mawala kasi nasa libro eh.

Kaya pagganun ko... I hope I will not offend her. Hanggang tingin lang naman ako eh. But to me at that time she was really beautiful. *[Angie Rodriguez?]* *[Angie Rodriguez?]* 'yung... Nandiyan pa siya? *[laughter]* 'Yan...

*[Ganda 'no? Maganda pa ngayon? Maganda pa ngayon?]* *[laughter]*  
*[Tawagan mo nga brod. Tawagan mo para --- gusto ko makilala. Takot ito maging bugaw. Tawagan mo]* *[laughter]*

But she was really beautiful. In love na in love ako doon. I still have her picture now. Do not tell her where I got her picture. Actually taga-rito rin ang nagbigay. So we end up with a beautiful woman.

So, 'yan po ang ipagbilin ko lang. I am really pleading, not on bended knees but pleading na maybe you can give importance to the things that I utter here. Na maalaala mo lang. Because this is really intended for the public good. The greatest good for the greatest number.

And all of this is really to protect public interest. 'Yun lang ang hinihingi ko sa inyo. Hindi na ako babalik dito mamulitika. Wala na ako. After three years tapos na ako. Kung buhay pa si *[Angie?]* at nakita ko baka... *[laughter]*  
*[Biyuda na? Biyuda na? Hindi? Biyuda na ba? Katagal naman uy]*

Well anyway, I may walk the streets here again. Time when we were students, carefree and maybe --- not to talk about --- to lecture anything on you, to you na parang... I beg your indulgence for my language. Ganun po talaga ako.

Kaya nga sabi niya, hindi talaga ito si Duterte maging --- parang hindi presidente. Ang totoo niyan, I never shifted my paradigm. Pagka-preside --- pagka-mayor to presidente.

Kaya 'pag sinabi nila parang mayor lang. Tama. Tama talaga kayo. Madumi ang bunganga. Ay talaga. Totoo 'yan kasi ang tingin ko, mayor lang. Kasi doon sa amin hindi man maniwala 'yung tao. Mga gangster. Hindi naman lahat pinapa... P\*\*\*\*\* j\*\* ka.

Ngayon ganun rin pero hanggang galit lang ako. And for the things na kagaya ng ganun.

Ganito kasi 'yan. Alam ninyo lahat. They never stop attacking me. Before the election, talagang binastos ako. Including the Church. Pari was... Pagkatapos ng election, ang hinakit ko ganito, 'yung yellow, pati 'yung mga pari, pati ang komunista, unknowingly or unwittingly or alam nila, sumakay doon sa kanila. And I was just about three months President, sige na sila "Oust Duterte. Oust Duterte."

Nakita naman ninyo. Hindi nila ako hinintuan eh. Tahimik lang ako. Kaya 'yung pagdating ng panahon na hindi ko na matiis, p\*\*\*\*\* j\*\* ko sila.

Alam mo ang Pilipino ganito, kapag inatake ka, lalo na sa simbahan, then you go out in public, call the media so that you'd be able to answer, fair is fair. Maganito 'yan ganun. I-explain. In-explain ko 'yung creeping dysfunction sa nation.

Malawak talaga ang... Ang shabu malawak, bilyon tag-isang --- isang truck, isang barko. P\*\*\*\*\* j\*\*, talagang papatayin mo bayan ko.

So I tried to explain that there is a serious... But nobody would --- hindi na makinig. Nakikinig sila, "Duterte ganun, judicial killing." O sabi ko, ayaw ninyo makinig. O p\*\*\*\*\* j\*\* mo totoo 'yan. Sige pumasok kayo, p\*\*\*\*\* j\*\* papatayin ko kayo.

Ganun man 'yan sila. "Ha? Bakit ito ganito magsalita?" I explained to you nicely. Good grammar. Right tenses. Maybe adjustment sa twang kasi itong Bisaya mahilig sa 'e'.

Hindi ko man iniinsulto 'yung tribo ko. Totoo eh. Basta totoo walang... Ang Bisaya, "Ladies and gentlemen. The next song you'll hear is from Doris Day, singing Day by day."

Sabi ng nanay ko, my father was governor at that time. 'Yung parang ano niya, 'yung announcer. Sabi ng nanay ko, "Hindi mo palitan itong g\*\*\*\*\* 'to? Galing talaga sa bundok ng Cebu."

But you know, itong mga bago ngayon, if you talk to a Cebuana in Tagalog, she would not answer you. Nasubukan ba ninyo? Sasagutin ka, English.

O you want a better English? You go to the Cordillera. 'Yung --- 'yung plain farmer diyan kausapin mo, sasagutin ka ng English. Totoo. Akala mo mga Ilocano 'yan? Well... Pero ang unang engkwentro mo, tatanungin ka ng --- sagutin ka ng, "Yes, we're from here. What do you want to know?" "Ha? Bilib ako sa iyo ah."

Lahat 'yan sila. And food for thought lang, tayong mga lalaki alam mo ang warrior lang dito sa ating bayan and to their credit which I must --- ang warrior tribes natin, karamihan ng ating sundalo pati mga generals, the Ilocanos.

When you say Ilocano hanggang doon na talaga but the Ilocanos and itong Illonggo. 'Yun ang ating mga sundalo. Kaya mahal ko 'yan sila kasi they form the bulk of the --- our soldiers.

Marami 'yan sila, puro Ilocano 'yan. Ang Cabinet ko ngayon, 'yan sila. Almost same number ng sibilyan. General Año, General Cimat, lahat 'yan puro general. Alam mo kung bakit? I do not have anything. I have no misgivings about anybody in the bureaucracy.

The problem is pagka 'yang bureaucracy na 'yan may iutos ka, debatehin ka pa. "Alam mo sir, hindi..." And it will take them forever. Hindi kagaya ng isang araw, I remember when I was campaigning, the complaint of a citizen sa Boracay na if I can do something about it, if I win.

Ang sabi ko --- so one day I remembered it kasi talagang mabaho. I just said to Cimat. Hindi siya Cabinet member pero tinawag ko siya, I made him a Cabinet member. Tapos sabi ko, "Of the so many things that you have to do, itong unrestrained mining, the destruction of the land, at sabihin ko linisin mo ang Boracay. I'll give you six months."

Sabi niya, "Sir, kailangan ng tulong, pulis." Sabi ko, well. Then I appointed General Año. Dalawa sila pati si ano. In six months time, ayun malinis na.

Ibigay mo sa sibilyan? Hesusmaryosep. "Sir, hindi pa tapos sir. Kay nakulang 'yung mga kemika..." Ganun 'yan eh.

Pero sundalo utusan mo, at hindi naman sila maghihinakit diyan, eh Presidente ang nag-uutos. "Gawin mo 'yan." Gawa, walang problema. Pero diyan sa bureaucra --- lalo na kung may...

Kasi ang unang nag-present was a Cabinet member who is no longer there. Nag-matrix siya, parang matrix, dito operation... Pinutol ko. Sabi ko, "Look. Kindly sit down." Sinabi ko na, "You call Cimat. General." Halos 'yan sila lahat dumaan ng Mindanao kaya kilala ko.

So I know them. Fundamentally lahat ng sundalo ko, hindi 'yan corrupt, huwag kayong maniwala niyan. Police malinis except a few sa Maynila. Kung sabihin mong mga police, except a few. 'Yung mga general, 'yung sa Custom.

And all of these things that we do, we do it for the Filipino and the Bicolano. Maraming salamat po. *[applause]*

May I have your attention again? And I apologize for the lapses.

Nandito kasama ko po and I am supporting them. First si Atty. Tolentino, the former mayor of Tagatay City. *[applause]* Dito 'yan pinanganak, Bicolano 'yan, if you would want to know really and he was here all the time when you were in a critical period of sorrow and agony. Isang buwan 'yan dito inassign ko.

And he chose to be here because Bicolano, dito pinanganak 'yan. And he's very good. If you give him a chance, eh kayo makita naman ninyo 'yung mga kandidato in the horizon, bahala kayo tingnan ninyo 'yung qualification.

But this guy has been a --- for so many years the mayor of Tagaytay. Marami namang... Ayaw kong maghusga ng tao pero you know their competence and what they can offer to the country. I tell you, hindi kayo magkamali.

And I said, hindi ko naman idinidiin but he was the guy that I ordered left behind to help Bicol at that time. He is very honest. Wala kang --- wala 'yang kaso kailanman.

Ang sunod si Bong Go. *[applause]* Actually, Bong Go is a Batangueño. Ang tatay niyan ang Chinese. But lahat 'yan sila --- 'yung Tesoro na barong. Taga Batangas ito.

Ang ugali nito Batangueño, pala-away. Akala mo lang Intsik. Well, because of the father pero *[garbled]* talaga 'to. But he is good and he has been my confidant, lahat na for 20 years.

Huwag kayong mag-alala, kayong --- do not be scared of him. He is a son of a rich man. He's a graduate of La Salle pero simpleng pagkatao. De prinsipiyo 'to at marunong at maasahan mo 'yung mga pera-pera, hindi talaga papasok ito kailanman.

I know him. Hindi tatagal sa akin 'yan nang ganun katagal kung corrupt na tao. Bong Go. *[applause]*

Then wala siya rito. But again kagaya ni Escobal they earned their *[unclear]* in Mindanao. For a time na-assign 'yan sa iba-ibang lugar but he was my last city police director, parang chief of police.

He is not here but I am campaigning for him kasi 'yang si Bato na 'yan, una matapang. Pangalawa, you cannot question his love for his country. PMAer 'yan. And third, marunong talaga, he knows the job of government. Kaya wala kayong lugi diyan.

But itong last. Nasa inyo lang 'yan. You know I like Freddie Aguilar. You might think that he is just a singer. But boy can he talk in English. Pero Freddie Aguilar is a nationalist. Bright 'yan.

You know when you can write a song and send a message sa tao, 'yan ang ginagawa ni Freddie Aguilar. Lahat ng kanta niya, pakinggan mo. Magdalena, Pipi at Bingi, Anak. There is always a message to his fellowmen.

Mautak na tao ito si Freddie kaya lang talaga --- kagaya ko minsan hindi ako nagsasalita ng English, obviously for one reason, may --- I don't know. But that is another --- that's another story.

If I were you, ako, boboto talaga ako kay Freddie Aguilar. He's very bright. He can talk. Problem is he chooses to talk in Tagalog because he's a nationalist. And listen to all his songs, it carries with it a pre-found --- profound message for us Filipinos.

Ang... *[Wala na ba?]*

Si Jinggoy, hindi ko nakita. Where art thou my friend? Alangan. Sino pang gwapo diyan na... Well of course, kandidato, both akin pati kay Inday,

magkaiba kami ng ticket. But I'd like to say that we are supporting... *[applause]*

Ma'am, sir, salamat sa panahon ninyo ha. 'Pag magpunta kayo ng Davao, I will ask you to talk also for two hours and I will listen. *[applause]*

**--- END ---**
