

PRESIDENTIAL COMMUNICATIONS OPERATIONS OFFICE

PRESIDENTIAL NEWS DESK

SPEECH OF

PRESIDENT RODRIGO ROA DUTERTE

**DURING HIS MEETING WITH THE FILIPINO COMMUNITY IN PAPUA
NEW GUINEA**

[Delivered at Filipino Association of Papua New Guinea (FAPNG) Clubhouse in Port Moresby, Papua New Guinea | 16 November 2018]

Salamat po. *[applause and cheers]* Kindly sit down. Salamat ho sa kortesiya.

First of all, dapat kong pasalamat si Prime Minister Peter O'Neill. He went to Davao twice I think just to extend the invitation for me to be here with you tonight and maybe tomorrow.

I'd like also to greet Allan Bird. Sir, thank you for allowing us to visit your country. *[applause]*

Nagpapasalamat ho ako sa mga Pilipino dito. I think I once worked with a guy from the Philippines si [Flor Dullaga?] Are you here? *[applause]* Magkasama ho kami noon I was the house counsel of [unclear], siya 'yung manager. Eh bagong abugado lang ako noon eh kailangan ko ng trabaho. Nag-asawa ako kaagad at medyo nahirapan ako sa --- even the milk.

Kasi 'yung gatas ni --- nitong maldito na si Pulong *[laughter]* ah S-26, so may lactose ano siya eh intolerance. Napakamahal ng gatas karami namang problemang ibinigay sa akin. *[laughter]*

But this time, I think he is running for congressman kasi napahiya kasi. Hiniya ni Trillanes eh. He was summoned to Congress. Ganun si Trillanes eh. Bibirahin niya 'yung mga pamilya mo, hindi ikaw, at tapos tatawagan niya. Kagaya nung mga pulis.

And if you know Angie Reyes, he was the --- naging Chief of Staff, Secretary of Defense, and he became the Secretary of Energy. 'Yung binastos niya tapos the guy tried to stand up and said, "I just want to protect my dignity."

Tapos sinabi nito... I could not really believe it from a PMAer to a PMAer nauna ka. Sabi niya, "You sit down because you do not have any dignity."

Kaya pumunta doon sa cemetery ng nanay niya, nagpakamatay kasi napahiya eh. Iyan si... Ayaw ko sanang ikwento 'yon but si Pulong ang ano niyan gaganti talaga 'yan. He will be running for congressman. Tabla sila diyan. Ang sabi ko magkaaway man kayo ni Trillanes pagdating ninyo sa Congress, magbarilan kayo. *[laughter]* At mamatay ka, ililibing kita. Pero --- that's how it is.

Ito naman si Trillanes, be careful with Magdalo. Be careful of 'yang partidong Magdalo. Ito 'yung mga rebeldeng sundalo na nagkalat diyan sa Makati pati sa Peninsula. And they destroyed everything, parang ISIS ang mga buang.

Wala silang alam kung 'di to kill, maghahamon, magbastos. Be careful again with military lalo na 'yang mga rebelde tapos na-rehab because they were extended pardon by Aquino, ayon. So they became in a --- sort of invincible na. Pumasok na sa isip 'yung... Well, I can do anything I want because I did the worst in my lifetime and yet I am still here being a senator. Be careful with those guys. Maniwala kayo. Take it from me.

Ako wala na eh. This is my last chapter. I cannot run again. I am limited to six, I am halfway through. So ang akin is just to take care of my country.

The guy that introduce me, Sonny Dominguez. He used to... Magkababata pala kami niyan. Kayong mga taga-Davao sa Matina. He used to be the valedictorian. Kindergarten kami hanggang nag-college na. Kaya you have the best of the best and I know him, kababata ko nga eh.

Siya ang average niya is 95. Noong second year kami napaalis ako sa Ateneo de Davao. Simula noon 75 lang hanggang ngayon. *[laughter]* Hindi nga, eh 'yon lang ang kaya ko eh.

Ito naman si Andanar, he graduate from the United States. Mon Lopez is the entrepreneur, talagang bright ito. Hinintay ko talaga ito bumalik from somewhere because I wanted him to be the trade secretary, mahusay talaga 'to. 'Yung mga small, medium industries. Kaya gumagana ang bayan natin. Hindi lang natin madali-dali.

You know I would like just to tell you something. Ito bang Pilipinas mataas ang inflation. You know right after the war, Second World War, everybody was into rebuilding their nation. Pati ang Pilipinas which was the most devastated city in the Asia sa --- they really flattened Manila. And papalit-

palit 'yan mag-bomba but it was the Americans who really did it to catch up with the fleeing Japanese.

Ang ibig kong sabihin with the extend --- vast expanse of destruction. Lahat tayo sa Asya nagkaroon nang konting pera, nagtulong ang America but the bulk of the money went to Japan. And I think the reason why is nagkaroon sila ng guilt feeling for using hydrogen bomb sa Nagasaki pati sa Hiroshima. Kaya doon nila...

In the course of our development in the early 40s, 50s, Indonesia struck oil. Subsequently, Malaysia had it. Brunei is awash with oil. I don't know why. I do not want to question God because he cannot answer me anyway.

Kung maniwala ka diyan sa mga pari and of course if you are a Christian... But you will get the answer when you die because that is the time when the reality of the naked truth is there before you. Is there life after death?

Ako... But anyway back to noon, wala tayong oil. So every time there is a ruckus in the Middle East at ito ngayong Amerika talagang binibira na ang Japan for the atomic reactors there. May alitan so Iran nag-hold down ng production. The law of supply and demand eh. That's universal everywhere.

Maraming supply mura, walang supply mahal. Every time na mag-increase ang oil, sigurado 'yan two weeks after susunod 'yang gasolina, langis, lahat. And exponentially everything gets expensive, mga sabon kung ano. Ganun 'yan eh. 'Pag magbaba ang oil, bababa rin 'yung presyo. That's why I said na mataas ang inflation. Correct. And I do not deny it because it is true na ang... Sabihin mo ano... What's the reason? Ah 'yan...

For those itong mga opposition, you only have to find fault. And ang trabaho ng opposition is just really to find fault if there is any whether it is intended or malicious or not, and then they raise the issue.

Kaya ganun para... Baka sabihin mo na wala kaming ginawa. Now you were not there. I supposed that most of you were not in --- during the elections.

Remember that because I had a little money. Of the entire Philippines, I had only about four governors of the 76 provinces. Ang governor ko apat lang, Abet of Bataan, tapos Imee Marcos. Sa Cebu wala where I come from --- Danao. And sa Danao maski --- wala akong barangay captain just like any other place.

Sa Mindanao naman ang --- bumaligtad si Zubiri from Liberal. Tapos may isang babae na governor. Bumaligtad siya. Ewan ko kung bakit bumaligtad siya. *[laughter]* The legend says that --- iyon ang balita kasi may asawa na pero totoo naman. Ang istoryang umiikot na naging girlfriend ko si Angel Amante. It was very a long time, bata pa kami. I was just a congressman. Twenty-eight pa 'yan siya pinauwi ng tatay pinatakbo. So 'yan, iyon lang ang sumuporta sa akin.

Would you believe it? And surprisingly, I won --- I won by over 16 million votes. Ang lamang ko sa kanila was about 6 million. It was so mind-boggling bakit ako magkaroon ng ganyan na boto. I think it was in the messages at kasi wala akong pera maski sa radyo I just limited it to five --- five simple...

Matagal akong mayor sa Davao eh. I've been mayor there for 23 years tapos pumalit si Inday. She got another nine years and she is running again at kaya kasi niya itong bunso. Takot siguro siya baka you know the imponderables of life. Gusto niya iiwan rin sa Duterte.

Eh 'yung bunso namin talagang takot sa kanya 'yan pati 'yung elder. Siya 'yung naging alpha ng pamilya noong naghiwalay kami ng nanay nila. Hindi kaya eh. Hindi kaya 'yung mga German ano mix German-Filipino. *[laughter]*

Nakita ko 'yan sa eroplano eh, maganda itong --- tisay eh. Sige ako kalabit-kalabit noon sabi ko, "T*** i**, ang ganda nito ah." Tapos sabi kaagad ni Jun Arcilla if you remember, if you're from Davao, sabi niya, "Taga-Davao 'yan." "Ha? Bakit hindi mo... Bakit lumusot sa akin 'yan?" Tapos pagbaba ko tinanong ko 'yung taga-PAL. "Taga saan nakatira 'yan?" "Sir, 'yung driver ng wagon kasi araw-araw pinipick-up 'yan sila ng ano... Iyong driver niyan alam." O inalam ko, so nalaman ko, nagbisita na ako. Hindi ako makabisita kasi maraming --- ang nanay niya mahilig sa aso. Nagbili ako ng Lannate. Alam niyo 'yung Lannate? 'Yung poison sa mga Bagobo. Iyong bola-bola ipinakain ko sa mga aso, patay. O namatay lahat aso, pasok na ako. *[laughter]* Ang karibal ko hindi tao, aso ang mga p***** i**. So 'yon, iyan ang istorya diyan.

So I limited my campaign to five. Sabihin ko sa inyo umuwi man kayo doon to validate o magtanong kayo ngayon ginagawa ko 'yan.

Alam ko na imposible na you call upon the heavens to go down and to kneel before you, 'yung mga saints, of what you would like to have. Imposible 'yan. So I limited myself at ginagawa ko.

Sinabi ko I will try to stop corruption. Lahat. Two months early, I fired a Cabinet member during a Cabinet meeting for lying. Alam mo may

tinatanong ako sa kanya, "Did you consult your legal office?" Sabi niya, "No." Si Sonny naman itinulak niya 'yung cellphone niya --- 'yung cellphone mo. Nakalagay doon, "This guy is lying."

So nag-init ang ulo ko because I should trust him. At saka maski na hindi ko kababata, nobody would foist a lie like that. Na nag-init ang ulo ko sabi ko... And since then marami na ako until now. And when I go back, meron na naman. Talagang tanggalin kita, sorry na lang.

Marami akong kaibigan na sumali sa akin even during the time when I was first elected mayor in 1988. Would you believe it? Ang naasar ako and what pisses me off, 'yung style ba na, "Rod, tumakbo ka na kasi ang bayan natin wala talaga. Ganun, ganun." Akala mo naman the crusading saints of the country only to be the first to commit.

Dalawang --- isang buwan pa lang pumunta na ng Europe, Australia. P***** i**. So lahat ng nakita ko na with travels more than five, umalis kayo. Kayong mga director, tinignan ko ang record, climate change conference San Francisco; climate change conference, Johannesburg, Africa; climate change sa Brazil; climate change sa Australia. Sabi ko, "Ano ito?" "Sir, mga confe..." "Anong natutunan mo? Ang bagyo mamaya will hit landfall. P***** i** anong na..." *[laughter]* What did you accomplish all of these trips? Son of b***** you are just...

So ngayon, walang Cabinet lahat. They have to get a clearance . Wala na 'yang... Pati 'yung mga kaibigan ko. Ayaw ko na lang but kungnasundan ninyo, iyon sila in succession. Cabinet member, meron pang... Sabi ko hindi tayo magkaintindihan sa pera ng tao, umalis ka.

Alam mo kasi prosecutor ako noon. I was a trial lawyer. And I've been doing trial work for nine years. During the time of Marcos wala pa 'yang Ombudsman, ang tawag noon Tanodbayan. So I was one of the two only ang fiscal ng Davao but we were also commissioned as special prosecutors for the Tanodbayan. Marami akong... Ibig mong sabihin titindig rin ako doon, babasahan ako ng demanda. Tapos tatanungin ka guilty or not guilty. Eh istrikto talaga ako. At saka maawa ako sa bayan ko.

Ako magtanong kayo ng taga-Davao, nandiyan man si [Dullaga?]. Long time residence 'yan o kayong mga taga-Davao. For the 23 years and the four

years that I was a congressman and the four years --- ah three years rather, 33 na ngayon. I was the vice mayor of my daughter.

Ito namang Inday na ito, bantay kayo diyan sinabi ko. Iyong binugbog 'yung sheriff. Ganun kamaldita 'yan. Iyan ang 'pag nagsalita, tahimik na lang ako.

Alam mo... Ito si Piñol, si valedictorian sa klase. Papalay-palay lang 'yan. Panelo is an outstanding ah --- ano 'yan sartorial iyong mga attire ang... Tumindig ka nga Sal para... *[applause]* Iyan ang pinaka... How would I --- ? Avant-garde, the avant-garde sa Cabinet. Kami t-shirt, t-shirt lang. Uniqlo lang 'yan. Komportable man ako nito.

So ganun. Tapos ang sinabi ko sunod, tatapusin ko itong droga. When I was mayor I said when I first won, I am going to build a city. Not a rich city, we do not have the money. Not really a beautiful city kung aesthetic lang naman it's older. But I will build a city that is just comfortable for everybody. So iyon.

At sinabi ko kung nandiyan na 'yang siyudad na 'yan, do not destroy my city because I will kill you. Do not feed our children with shabu and drugs. Do not destroy the only assets that we have kasi p***** i** papatayin ko talaga kita. At ang itinuturo ko, who give you the right to deprive us of our universal happiness? Bakit sino ka ba?

Sisirain mo ang mga pamilya namin. Kami wala kami. Ayan o kaming dalawa ni [Flor Dullaga?] nagtatra --- I was just the house counsel at that time. And the Volkswagen that I had was karag-karag. Eh talagang 'yon lang ang means of transportation ko.

Tapos ang mga anak ko papaaralin ko. That's the only thing that I can leave them to enable --- well the three to survive the tomorrows of their life.

Ngayong na pagtanda ko, lalo na itong mga sundalo, pulis, sundalo... Ayan pulis 'yan. Iyong dalawang ano doon mga CAFGU lang 'yan. Iyong isa 'yung aide ko. Tumindig ka nga. Iyan ang aide ko. *[applause]* Tapos ang protocol ko, tumindig ka nga ano... *[applause]* Maghanap kayo ng presidenteng may dalawang ganun. O totoo.

Pero ito wala itong mga... *[laughter]* Ano ko 'to. You know my mother is a Maranao. Ang lola ko sa nanay ko Maranao. So half mga Moro 'yan. Ang tatay ko Cebuano.

But during the last election, nag-landslide ako lahat. Lanao del Sur, landslide, even in Jolo landslide ako. Siasi, landslide ako doon and the Muslim areas, Cotabato.

Well anyway sabi ko hintuin ninyo 'yan. Kasi itong mga sundalo they retire at the age of 56. Eh ilan lang naman ang kokobrahin nila as retirement? Palagay mo na may 1.5, 1.8. Ibig mong sabihin from 56 until dying time that one million eight hundred doon na nila kunin ang pagkain, ang pamasahang mga bata na hindi pa nakatapos. Sino ang magbili ng oxygen nila? Kasi kung 'yang 1.8 iyon na 'yon ang makuha nila. Sino ang magsubo sa kanila ng lugaw kung hindi na nila kaya? Ako? Sino ang magbili ng kabaong ko? Sino ang maglibing sa akin? At sino ang magbili ng oxygen para humaba lang naman ako ng dalawa o tatlong araw?

Ang ayaw ko sa lahat marami tayong mga kababayan nasa Middle East. They are there to work for their families to enable them to send their children to school. Now, I am not trying to be a generic here, hindi naman lahat. But there are tribes in the Middle East which allows you to rape your slave or your paid servant. Allowed talaga 'yan. Kaya it's not new to me na marinig ko na ano.

All we have to do is to respond and take care and just act whatever there is that we can do for our fellowmen. Kaya lang nung isa 'yung sa nailagay sa freezer, talagang pumutok --- ang sama kasi ng bunganga ko talaga 'pag... Sabi ko, "P***** i** kayo." Lahat na minura ko. Eh takbo-takbo 'yung ambassador nila. Sabi ko, "You better stop that idiotic of allowing your..." Just imagine they endure rape, cruelty, pinaghahampas ng hose, pinagpapalo ng frying pan and yet they stay there for three to four years, send the money back home.

Alam mo 'yan sa Tondo, 'pag nalaman maliit na lugar eh. Pardon the word, pardon the word, wala naman mga bata dito, talagang salsalin 'yung bata hanggang bumigay.

So ang parents keep on sending the money... You know ang pamilya if they lose a mother who is going abroad to work and endure human degradation, that family is not functional 'pag walang nanay.

Ngayon 'pag ang tatay pati magtrabaho sa labas, that family is totally dysfunctional. Iiwan lang 'yung anak doon sa kapatid and worse doon sa mga kapit-bahay, sa lola na matanda na. So there is no supervision at all.

Bastos man ako na pagkatao pero hindi mo ako matalo in terms of high morality. Huwag lang 'yung ---- p***** i** eh kasali 'yan... Eh nasanay ako eh.

Kaya pagdating niyan trabaho sila, pag-uwi nila dito ang abutin nila is very tragic. Hindi nakatapos ang bata nagkalat, 'yung babae nabuntis kung sino-sinong lalaki. 'Pag ginanun mo p***** i*** maubos ang ngipin ko niyan. Papatayin talaga kita. Tatablahin kita. Bakit mo ginawa 'yan sa kapwa mo tao? L**** kayo. Human rights? *[laughter and applause]*

Sabi man nila, "That Duterte is not a human right --- ah he is not human. He is a monster." O hindi ako kasali sa human rights. Maghanap kayo ng korte para sa mga monster. Kayo na rin nagsabi eh.

'Yon ang sabi nila, "Bakit pinapatay ni Duterte 'yang mga mahirap?" Hoy mga u***, shabu is a commodity for the poor. Ang mga mayaman sa Maynila hindi 'yan shabu, cocaine, heroin. Pero hindi masyadong magloko kasi may mga pera hindi naman magpatay. Just to get the money to get a fix. So wala. At saka organic ang marijuana pati cocaine. Galing sa plants. Galing ng tanim, organic eh. Itong shabu is a chemical 'yung formalin iyong gipang embalsamuhan sa patay. Tapos 'yung tubig ng baterya, iyon ang tubig nila. Kaya ang tao talagang maloloko.

Now tell me, sabi nila noon three million plus ang addicted. There was this ruckus, quarrel, argument about the exact number. Si Bato, who is by the way running for senator, kung maalaala lang rin ninyo, he used to be my chief of staff for so long a time. Mahusay talaga 'to. Kailangan ninyo ng mga pulis na matino. At saka may isang ano pa --- bawal daw sa kampanya. U***, wala man ako sa Pilipinas. *[laughter and applause]*

You know criminal laws are jurisdictional. You can only be prosecuted in the country where you committed the crime. Eh magkampanya ako dito paki ninyo. Ang kausap ko ang mga gwapo at gwapa doon sa New ---- Papua New Guinea. *[applause]* Totoo man. Duda ko nga kay nag --- duda ko lang papunta lang kayo dito magpa-beauty eh.

It's a commodity for the poor. It's 200, times 7, times 30 days, times 12 and times it with one million six. You'd come up with a figure something like 2 billion, 30, 40. That's a 2 billion industry.

Ang ayaw ko niyan is you reduce 1.6 of my countrymen to slavery. Slave to a drug called shabu and they are already inutile. P***** i**, anong gagawain ko diyan sa 1.6? Sira ang ulo and practically kung walang makuha 'yan, magpatay. They kill to get the fix.

So nakita mo 'yung problema ko tapos sabihin mo lang p***** i** ka human right, l**** ka. You go to hell. *[applause]*

At saka... Maybe after the end of my term I will catch the next available flight to reach Papua New Guinea. Magtago na lang ako doon sa bukid na... *[laughter]* I'm sure the governor can arrange for a simple living there.

You know you should love Papua New Guinea. One is that, you have a work here to earn money for your family and to send it some of you. It is part of the cycle of --- the money that you send how many centavos enriches the economy by so much. So you should be thankful. And I really thank you Governor and the Prime Minister that you have accommodated us and I've heard that you have treated us very well.

I tell you the Filipinos who are here are really very industrious and very --- the bright ones. You can take advantage of the expertise. I am offering you... You know I was looking at... We can come here, we can establish schools and if you want a university. And we are good at that. We will try to help you.

At saka thank you for accommodating us in giving away lands where we can plant. You know Governor, most of the lands in the Philippines are not food crop. There are no more lands where we can plant to eat the palay. It's overtaken by multinationals.

Be careful about that. Do not --- you may but do not allow the encroachment of multinationals because at the end of the day, what you would get is the salary of your people and yet the bulk --- it's multinational, the bulk of the money goes to the company and goes everywhere. So what

you get you even buy and also the salary is just the employment. So just do not allow big money to enter. You take time to develop.

So ako ganun. Ngayon sinabi ko, walang corruption. Nandiyan man 'yung mga Cabinet members ko. Si Panelo, he is my Presidential Legal Assistant.

Walang transaksyon sa gobyerno involving public funds, MRT, LRT, reclamation, roads, train, hindi umaabot sa mesa ko 'yan. It starts with --- if it's a project of the Department of Trade, it goes to Mon. Siya 'pag kanyang project, it begins and ends with Piñol. I do not allow.

Kaya ako kaya kong magmura maski kanino 'yung p***** i** kang corrupt ka. There will never be a time not in a million years na makasabi kayong may ninakaw ako o naghinggi ako. Walang transaksyon at hindi ko talaga pinapakialaman.

Nandiyan man 'yan sila tanungin ninyo after this program kung nagtanong ba ako na at what stage is the... Kanila 'yan. Basta ako appointments, policies mostly about policies of government. Pero hindi ako nakikialam diyan.

Sinabi ko not in a million years. Wala kayong makukuha. Kaya ang lakas ng loob ko magmura maski kanino.

And the other thing is that I will said --- I said I will make peace with my --- with our country: the communists, the rebellion in Mindanao there are two. The rebellion in Mindanao is one driven by territorial aspiration. Iyan sila Murad, iyan sila Misuari.

But the other one itong mga Abu Sayyaf who decapitate mga kidnapped victims, they are driven by the spirit of ISIS. It's a corrupt religion. I don't know if it is a religion at all. Using really the name of God in vain. Hindi nila ako maloko ang sabi ko ang nanay ko Maranao. F*** you. Sino...? Ako ang lolokohin ninyo? Taas-taas ka ng ano.

Ang Davao is a... Sinong taga-Davao dito para malaman natin? 'Pag magbakasyon kayo kasi marami naman talagang pera naipon dito, try to go to Davao, see what Davao is. *[applause]*

Sa Davao, everything closes at 12 o'clock. Ako noong na-mayor alas-dos 'yon eh ang closing time. Pagdating nitong babae, ibinaba niya ng one --- ah hindi ako, ako ang nag --- one. You cannot be drinking all night.

Tapos pagdating nitong Inday na ito, ibinaba ng alas-dose. It is the only place in the Philippines na wala kang makita naglalakad sa daan. Meron 'yung mga call centers, nandiyan 'yung in --- mga convenience store. Pero sabi mong maglakad-lakad, daan-daan, mag-istambay ka diyan sa kanto, ah wala. Iyan ang ginagawa ko, I'm trying to tell the police, "you implement it in Manila". Medyo nag-reduce ang crime.

Itong mga human rights, ano raw ganito violation of human rights. They can be where --- anywhere they would want. Eh mga bugok eh.

You know if I take into custody a child, I am not arresting the child. I am taking custody over the person of the child so that I can remove him from the streets and place him in a safe place for his own protection. Minor nga eh. Kaya ganun.

Eh itong mga human rights 'yung mga taga-EU, 'yang European community, 'yung mga puti. Kaya ako... Narinig ninyo na idinemanda ICC kasi imbestigahin daw ako. Sinong may sabi sa inyo?

Tapos 'yung putot na itim na prosecutor nila nandiyan sa Manila sige pa-presscon kay she will start... Sabi ko ikaw putota ka bantay 'pag nakita kita sampalin kita. *[laughter]* L***** ka. Sabi ko I do not recognize the ICC. It is a creation of EU. Hindi 'yan 'yung criminal --- international court of justice. Ito creation of EU. They want to spread their gospel of international governance.

Mga g***. Sabi ko sino 'yung mga judges ninyo diyan? Bakit kasama ba kami pagpili nitong mga g*****, p***** i***** puti na 'yan? Baka ito pedophile. 'Yan man karamihan sa kanila. Ito palahubog, itong judge na ito. Hindi ko man nakita ito. So why would I allow myself to be tried by a few idiots human beings in this world? Ah...

Iyong prosecutor ninyo 'yung putot na itim. Taga-saan ba 'yon? Tapos 'yung chairman ng ICC kapatid ng King of Jordan. Sinabi niya ako daw I need to go to a psychiatrist para daw matingin kay sige ganun. Eh 'di kung walang ganun eh 'di maghinto kayo.

But for as long as you put in line of fire my countrymen, hindi talaga tayo magkakaintindihan. Magpatayan talaga tayo. Wala akong magawa because I have to protect my country.

Never mind me going to jail. If I skip on time, magkikita-kita rin tayo dito. Wala namang extradition treaty.

I do not recognize you. Tapos sabi ko ikaw `yung chairman ng --- sabi ko, "You come from Jordan. The form of government there is autocratic." Si King --- si King of Jordan mabait. Ikaw animal ka, wala ka ng buhok and you come from a country which is ruled by succession because of blood.

Dito sa amin ang mga abugado, we study and there are laws to be followed, passed by Congress. If you have that kind of setup, I will submit jurisdiction. Pero hindi ko alam `yung mga judges mo kung sino itong mga unggoy na `to. T*** i**, huwag ninyo ako ma... Sabi-sabi imbestiga, sige imbestiga `pag --- makatikim kayo ng sampal sa akin.

Then I said I'd talk to the enemies of the state. May BOL tayo tapos si Nur naman, si Murad MI, MNLF si Nur. Sabi niya, "Sige daw Rod, I know that pagtapos niyang trabaho mo in a --- maybe in the God --- inGod's good time, Insha'Allah, we will talk."

But itong komunista si Maria Sison, hambugero. Kaya napeste ako sabi ko ayaw ko nang makipag-usap sa iyo. Ang tapang-tapang magsalita wala namang eroplano, ni saranggola wala. P***** i** karami kong helicopters pati jet fighters diyan.

Hindi ko nga pinapabomba kayo kasi naaawa ako diyan sa mga madamay. You know I have not used my planes against them. Sabi ko sa sundalo huwag kasi madamay `yung --- eh bomba eh. May mga helicopters kayo sige `yon na lang ang gamitin ninyo.

Si Sison ano ang --- helicopter? Wala ngang kabilang sapatos. Hambugero. Sige siya --- kanya bangka, akin ang lalaki ng gray ships ko, warships ba.

Air Force meron ako, Navy meron ako. Bakit ako matakot sa inyo? Until you come to your senses, you reduce your size in the proper dimension. Huwag kang masyadong hambog. Ayaw mo... Ganun ka lang eh.

Magpunta ng Papua New Guinea 'yan magbangka pa 'yan, nako mawala pa. Eh ako pa-jet-jet lang. Tapos kung magyabang akala mo mas tigas pa sa akin.

And foreign investments are there. Iyong inflation export natin there's a slowdown kasi nga pag nawalaan ng capital because of the hatak, marami 'yang hinto muna. Pero there is God and we hope... Ang ibinibigay ko lang naman sa tao eh the hope that tomorrow will be a better country for us. I'm not... *[applause]* Basta ako trabaho lang.

Iyon lang ang ano ko. But 'yung sabi mo na mga train na --- ginagawa na 'yan but huwag na 'yan kasi mga joint 'yan. Eh ang akin the basic lang --- law and order. Pero tandaan ninyo 'to and I leave these words to you and if I get to live only for a few years, malay mo, I said the imponderables of life, if we cannot have peace and order and if we cannot stop corruption, Philippines will never grow. Maniwala kayo.*[applause]* I only have... Ano pa 'yung dalawa.

I have remaining mga three. I hope that I can put in place something. Pero ang gusto kong patayin bago ako mag-alis itong droga kasi mahirapan talaga ang...

Paano hindi mo mahinto pagpasok ko pagka-presidente nine police generals. Anak ka ng --- involved sa droga. Ngayon involved sa droga. Do you know ang droga hindi mahinto? Because it's money and it's very hot. Hanggang ngayon may mga pulis na papatayin pa ako --- papatayin ko pa.

Marami pa itong mga g*** na 'to. Oo. General-general, general problem ka diyan. Major, major problem ka lang. Huwag mo akong lokohin kasi galing ako diyan.

Sabi ko nga kung ayaw ninyo ngayon kasi Presidente ako, okay I'll understand. Pero 'pag hindi na ako Presidente, 'pag gusto mo nang gumanti pumunta ka sa bahay ko. 'Pag sinabi natulog ako sabihin mo, "gisingin mo." P***** j** ka, gisingin mo ako pag hindi kita...

Kasi 'pag matakot ka walang mangyari 'yang... Kaya pag sinabi kong p***** i** ka, patayin kita, patayin mo. Tapos talagang matauhan.

'Yang mga mayors, ikinulong ko sa... Alam man ni Toby 'yan, ikinulong ko sa Malacañan. Sinabi ko talaga sa kanila, "Don't f*** with me. Don't f*** with drugs, papatayin ko kayo." So since then ilang mayors na.

Marami na 'yan sila. Iyon si... *[speaks Ilonggo]* Why? *[speaks Ilonggo]* Sabi ko sabihin mo, "Bong, sabihin mo, p***** i** ka." Pinsan ni Drilon 'yan eh. Sabihin mo Bong siya ang isunod ko. *[speaks Ilonggo]*

Parojinog, papatayin mo 'yung pulis mo. Espinosa, binaril niya 'yung pulis niya diyan sa palengke. Ah marami pa. Hindi ko na masabi kasi mapa-presong na rin ako eh. Pero 'yung...

Kagaya nung si Mayor Halili ng Tanauan, naga --- nag-ano siya Bayang magiliw... Bog! Patay siya. Tapos ako ang pagbintangan. Unfair sila sa akin. *[laughter and applause]*

Ito si Loot, nandoon si Loot noon eh. General Loot, sabi ko sa mga mayor --- mayor na ang g*** eh. Sabi ko ikaw, pinangalanan ko. "Ikaw Loot, p***** i**** general- gen..." Siya 'yung RD ng Visayas eh. Kaya 'yan sila Odicta, Espinosa 'yung malaki. Kaya...Pero may papalit rin kasi...

Bantay kayo sa droga talaga. Bantay kayo. Pero ang lahat ng mga g*** sabi nila pati ba 'pag Bayang magiliw, titi --- wala akong pa --- wala akong ano doon. Wala akong alam.

Ako, magsabi man lang ako "patayin kita" pero pantakot man lang 'yan, istorya man lang 'yan, maniwala ka pala? *[laughter]* Kung sino ang nagpatay eh 'yan mga pulis o tanungin mo, hindi ako.

Well anyway I would not take much of your time. It's really a distinct privilege to talk with you especially in the presence of the mayor --- Bird. I'd like to just say --- I'll leave you with this, you know Papua New Guinea has been very kind to us and I have talked to the Prime Minister. He went back

and forth to Davao twice just to invite me. That is why I came from Singapore, I flew in last night.

And do not believe 'yung mga --- na I skipped the... Kasi dumating kami doon from Davao 1:30, so we had to fix our things. At itong mga Australia 'no hindi ko rin maintindihan, eh 8:30 ang invitation informal breakfast. Sabi ko sa mga sundalo bakit ako magpunta doon na unang-una hindi ako kumakain ng breakfast. Eh totoo matulog man... Eh pangalawa, informal man. Anong ipakain nila diyan sa atin informal? Kangaroo? *[laughter]*

Eh nandoon kami sa Singapore, sabi ko ah hindi ako magpunta diyan. Tapos binabatikos daw ni Trillanes tamad ako. Ah I**** ka. Anong utak... Pati naman 'yang informal pagbigyan mo pa ng...

Kaya ako ang informal --- ang totoo talaga maniwala kayo o hindi, every time... Ah maski kayo magpunta kayo sa hotel, bigyan ko kayo, tagai sila og kuwan carne norte. Nagbabaon ako ng carne norte pati tuyo at sardinas. Ayaw ninyong maniwala, bigyan ko kayo. Iyan lang ang kinakain ko. Hindi ako pwede 'yan na pagkain na 'yung buffet makita ko 'yung ano.

Totoo, honestly. Ayan magpunta kayo sa hotel ngayon dito bigyan ko kayo ng sardinas. Ako, carne norte. Nagpunta kami ng Japan ---- ah India, pagbaba namin doon nung sabi ng mga Indian, "Tsk, ibalik, ibalik 'yan, ibalik." Ano ba tong g*** mga pagkain 'to. Sa India hindi ka pwedeng kumain ng beef. Bantay kayo sa India, huwag kayong magdala ng mga de lata. Beef hindi kinakain doon.

Hinahayaan lang magpasyal-pasyal diyan sa downtown. Malibang dito, libang doon. Alam niyo 'yung libang? Hindi nalibang, t** ba sa Bisaya.*[laughter]* T** dito, t** doon.

Pagdating... In Muslim countries, you are --- well off with carne norte. There are certain parts of India and the United States, hindi na sila naggagamit ng asin. Bland ang pagkain doon nasa bukid eh. Mga inland territories, hindi na sanay ng... Kaya magkain ka doon, magdala ka na lang ng salted paper. Ibaon mo muna sa asin iyon lang ang...

Ako Bisaya, mahilig talaga kami sa maalat because ang ancestral genetics ko... 'Yung mga Bisaya walang, walang puno doon, walang tanim, dinaanan ng bagyo nga eh.

It could only be Mindanao pero kulang tayo. We need to develop and develop well Papua New Guinea. We are willing to help. *[applause]*

Establish schools. We will send vocational skills training 'yung TESDA. Governor, we are willing to help your livelihood projects here. Maybe the next generation would be at least receptive of you know improvement.

But I commit to you that --- I have heard that most of our countrymen are treated well and respected. In return, kindly --- I'll see him tomorrow. But we are ready to build schools, ask teachers to come here and help in the education of your young people.

Thank you and good night. *[applause]*

--- END ---
