Presidential News Desk**

**SPEECH  
OF  
PRESIDENT RODRIGO ROA DUTERTE  
DURING THE 25TH ANNUAL NATIONAL CONVENTION OF THE VICE MAYORS'  
LEAGUE OF THE PHILIPPINES**

[DELIVERED AT THE BELLEVUE PAVILION, PANGLAO, BOHOL | 28 JUNE 2018]

Salamat. Kindly sit down. Thank you for your courtesy.

I have a --- three pages speech here. We traveled all the way from Davao City to deliver a two-minute and a half speech. Would that be okay with you?

And after that I'm going to Manila because I have to a --- to visit a wake sa... Sabi dito, "Mr. President, we are live on TV and on Facebook. Huwag kang magmura [*laughter*] Huwag kang maghanap ng away sa mga pari." [*laughter*]

You know, if there is a page in the Bible which I read almost every day, it's the Ecclesiastes 3: "For every season there is always a time under the sun." There's a time to be calm, there's a time to be silent, there's a time to be poignant, a time to be subdued, and a time to be vicious.

Ganun talaga ang buhay. There's a time for want and a time for plenty; and a time for festivities and a time to mourn. A time to live and a time to die. Ganun ang buhay ng tao sa mundo.

We are not precluded from being sometimes vicious because as the Ecclesiastes 3 says --- it's the Bible --- it says there's always a time --- a time to be proper and a time to be a s\*\*\*. Ganun talaga 'yan. And all because this is planet Earth. It is not heaven.

And so the constraints that are placed on a soul is not really applicable to us. There would be a time to speak and I will --- maybe in the coming days.

And for now, I will just keep my silence for I want to see how the nation reacts. Kumbaga I'm shaking the tree. If you would notice me every now and then, either national or local, ginugulo ko talaga 'yung puno.

It could be quiet and there's something dark, there's something bright, and there's something sinister and there is something which is --- ah ano... We just go along with life however presented to us by the different sectors.

Tatanggapin natin 'yan because they tell us that is how it should be. You know, I don't. Ako 'yung tao na mahilig sa...

I really want to just test the limits of everything. Even when I was young and I was a -- - I was to be more of the values. Hindi ako sa ano... My first concern ever since sa tatay ko.

Ayaw ko naman magyabang but my father was governor of Davao when it was only one. When he died, it became Davao del Norte, Del Sur, Oriental, Occidental, ComVal Valley, Davao City.

That was how it was divided. This Davao del Sur went to Cojuangco and Almendras; Oriental went to the Rabat; Norte became the turf of Floirendo and itong mga sa ComVal Valley --- 'yung host --- worked for it because they struck gold there.

Bago ako mag --- before I forget --- let me just acknowledge our entourage maybe. Hindi naman sila guests because they are here because of me. The Presidential Adviser for Political Affairs Francis Tolentino. *[applause]* He used to be the mayor of Tagaytay and we became friends because nagmo-motor kaming dalawa.

I ride the big bike and I toured the Philippines big bike lang pati dito sa... Hindi lang ninyo ako kilala noon. But sumasakay kami ng barge, we used to ride there because kokonting sakyan and a little bit safer.

The Presidential Assistant for the Visayas Michael Dino. *[applause]* He's here because he helped me. And when I became President sabi ko, "tulungan mo ako, help me." And ever since he has been doing...

You know, I have so many things to do as President. I want to do it personally to solve it, to be on hands. The problem is I'm just a human being and I can only do so much.

So I am... Ibig sabihin I cannot run my own errands. Hindi ko kaya lahat 'yan. So nandito 'yan sila and... Francis Tolentino, Mayor Tolentino took care of the Bicol problem noong pumutok 'yung Mayon. So he was there, iniwan ko siya, sabi ko "huwag kang umuwi sa Maynila hanggang hindi mo matapos ang problema dito."

Ito naman si Michael sa... Well, Visayas seems to be a little bit --- malikot --- lalo na 'yung... There's a resurgence dito sa --- I heard 'yung mga Odicta are at it again. So I'm warning them. 'Yung namang dito sa eastern side, well natapos na, ewan ko kung sinong gustong pumalit.

The Bohol Governor Edgar Chatto; the officers and members of the Vice Mayors' League of the Philippines led by its national president Donnabel Joy Mejia; mga kasama ko sa gobyerno; mga kapatid ko.

So I'd like to go on by saying that the reason why I'm here is because I want you to know that I'm putting everybody on the deck to make this country peaceful.

At I warned the mayors --- kailan 'yon? As a matter of fact, if you are a city mayor noon di ba ipinatawag ko lahat kayo sa opisina ko sa Pasig at sinabi ko --- ikinulong ko kayo ganito at sinabi ko na talaga na: "Do not --- do not go into drugs kay maski mayor kayo, papatayin ko talaga kayo." Prangka-prangka.

You know, when I was building a city from the aftermath of the communal wars doon including the NPAs and the soldiers, I said ---kinausap ko 'yung NPA kasi magkaintindihan naman kami kasi we are just also migrants sa Davao noon at magkasama kami sa hrap. Sabi ko, "umalis kayo sa Davao kung hindi, magpatayan tayo."

So ang naiwan sa akin mga kriminal pati mga droga. At ang simple lang naman ng sinabi ko: "Do not destroy the city that I'm trying to build. A city that would be comfortable." 'Yan lang. "Do not destroy the city because I will kill you. And do not destroy the lives of our children because I will kill you."

'Yan lang. Noong naging Presidente ako, same issues.

Ngayon, nandiyan sila kaharap mga oposisyon --- mga ano? You know, may trabaho kayo. I don't know what's your vocation but you have your purpose in this planet. But we have ours.

Noong abogado lang ako, when I was young... Nandoon nga si Victor dela Cerna kanina, 'yung professor ko sa Criminal Law. That guy is really very good. He was a top-notch. Nandoon siya kanina.

Nung bata ako na abogado, naka-focus ako doon sa kliyente ko. And whether or not he is really guilty, that would depend on how you also manage the case. Either you plea bargain or --- to a lower offense or an outright acquittal if there is no strong evidence.

Pero 'yang quandary papasok 'yan sa amin kung alam namin 'yung talagang may kasalanan.

So when I became a fiscal, I was very strict. Talagang kalaban ko 'yang droga. So that when I became mayor, talagang patayan kami doon. At hindi ako mag-ano --- wala akong paikot-ikot na istorya. Talagang hihiritan kita.

And the mayors, I told them: "Huwag kayong pumasok. And when you begin to kill your policeman, and when you kill a soldier until now still missing, at 'yung iba inilibing mo lang diyan sa..." Ay...

And then you build a mansion --- from rags to riches ka. Hindi kami naiingit. Bakit kami maiinggit? Anong inggitan namin diyan? Sanay naman tayo sa mahirap. But nung nakita ko 'yung wallpaper mo pera ng Pilipinas, 500, you must really be an obscene person.

You have no redeeming factor. As a matter of fact, you don't deserve to live. You deserve to die. Ganun 'yan.

Kung sirain mo lahat ng bata dito, ngayon pati 'yung mga vendors sa Quiapo, naghirit 'yan; driver, humuhirit 'yan.

And that is why ang disgrasya dito, kaya ako talaga umiinit ang ulo, pinupuntahan ko, binub\*\*\* s\*\*\* ko, kasi sinabi ko dapat for every --- 'yung bangga na maraming... *[Ano ba itong bangga sa Tagalog? Ano? Banggaan rin?]* *[laughter]* Pareho lang man pala. *[laughter]* Nag-effort pa akong mag-tanong.

Well, I'm not... Kaming mga taga-Davao, 'di, kambal kami mga Ilonggo. Dito ma'y ara mga Ilocano (There are Ilocanos here). It's a melting place sa Mindanao eh. Kaya we grow with the Ilocanos, with the Batangueño.

Eh doon sa squatters area kasi doon ka man talaga mag-umpisa pag ikaw ay bago sa isang siyudad, wala ka man kaagad ng --- mabuti kung may lupa naghintay sa'yo. Kaya mas sanay eh, 'yung one part of the neighborhood, "Eh ala. Eh p\*\*\*\*\* i\*\* eh..."

Batangueño sige lang mura. Alam lang mura. Eh naririnig namin, lumaki rin kaming "eh p\*\*\*\*\* i\*\*\* ganun o..."

Ganun 'yan. So ulitin ko lang. Huwag talaga --- p\*\*\* mag-aaway lang tayo. Sabihin ko sa inyo. At I will not hesitate. Hindi talaga ako mag-dadalawang isip pagka sinira mo na ang bayan ko.

I'm not really a popular person, I said I'm quite awed by the votes that I got. Na dito sa Visayas, dito sa even --- wala ako ni isang barangay captain.

Dito sa Cebu, that's where my father is from or was. Danao. Ni wala nga akong isang barangay captain because I have the cousins and everybody.

Wala ako sa Luzon except Abet kaya sa --- dito sa Mindanao, Zubiri pati of course 'yung Davao ug si Nograles, 'yung anak. Ah 'yung tatay gusto kong patayin pero 'yung anak, huwag kasi anak pa ng pinsan ko 'yung --- Pinsan ko 'yung asawa ng g\*\*\* eh. *[laughter]* Eh papaano, nabola ng u\*\*\*.

I-cut mo 'yan kasi baka magalit. *[laughter]* Magsuntukan lagi kami diyan. *[laughter]* 'Yun ang kinakausap ko sa inyo. 'Yung drugs muna.

Kayong mga mayors, pinapa-audit ko kay... Alam mo kung bakit sinasabi ko na sa inyo --- I'm addressing to you like mayors kasi wala man kayong pupuntahan next election. Magtakbo man talaga kayo ng mayor. Sigurado 'yan.

Almost three-fourths. Siguro 8 out of 10. Lalo na kung kontra partido mo ang p\*\*\*\*\* i\*\*\* mayor na 'yan. *[laughter and applause]*

Patayin mo. *[laughter]* Bakit mo padaanan sa gastos, may pera ka? *[laughter]*

Kung limitado ka lang 'yung pera mo may .22 rifle ka eh di ipa-target mo na lang. *[laughter]*

You know, I started as a vice mayor OIC and my only dream at that time, because my mother led the Yellow Friday sa Davao kaya wala talagang --- aapat lang 'yun sila pamartsa-martsa.

Diyan sa plaza, titindig 'yan, ang kaharap niya mga sundalo. Sige siya yawyaw diyan, ang audience niya mga sundalo. Wala mang nakikinig sa kanila noon. Takot eh.

Mag-ano... I'm addressing you now as mayors kasi dapat alam ninyo 'yung trabaho ninyo. You are supposed to be... I'm... Kayong mga... Maya na 'yang vice mayor kasi pag gikalaban mo 'yung mayor, wala ka.

Ang -- the easiest way to dispose of a mayor who does not give you enough contractual positions, ayaw magbigay kasi hangol *[ano ang hangol sa Tagalog? Madamot?]* Madamot ang g\*\*\*. Marami 'yan. *[laughter]*

Ayaw talaga magbigay so nakaluhod ka palagi, wala kang appropriation na 'yung mga pork barrel na may project ka dito, project ka doon, siya ang gumagawa ng budget, eh lalo na kung talo ka sa konseho by sheer number. Wala ka talaga.

Alam mo kung ano ang sikreto diyan? *[unclear]* ko sa tubig. *[laughter]* 'Yung pag ako 'yung Presidente, 'yung ano.

Sabi ko, dito na ako sa tao, diretso na ako. Wala na ako --- pagsabi ko, "wala tayong leader, wala tayong kilala, meron pero nandoon sa kabila," and all sorts of well, the vagaries of life. Dive ako sa tao.

Doon ako sa tao nag --- sikreto lang. Papunta-punta kunwari sa ano. Kaya I'd just give you an inkling kay wala man akong pera.

And the ban started to come in when I was already hitting 32. And ang nagbigay lahat halos... Kayo pulitiko man kayo. What will you do if you are given 50 million the day before the election? You think you can set up buying stations? Makabili ka pa ng boto? Sige ka bigay? P\*\*\*\*\* i\*\* ipasok ng --- bulsahin 'yan ng leader mo.*[laughter]*

Hindi mo na kasi wala ka ng panahon mag-check eh. Unlike before, kung may sufficient funding ka, tapos sabi ito, "ibigay, bigay bigay."

"O kapitan o, distribute."

Ma-check mo doon. "O dumating ba?" "Oo, binigay ni kapitan."

Kaya nung nagbigay, binulsa ko. *[laughter]* Kung may magtanong eh basta ako mahirap... Kaya 'yung nagdating sa akin na on the eve of the election, wala ito, binulsa ko kasi may panggastos ako. Buti't na lang kay nung nanalo ako, wala rin akong pang blowout. *[laughter]* Totoo.

Wala naman akong negosyo. All my life, I was a prosecutor, then I became OIC mayor, then I won the mayorship in 1988 and I stayed there for 23 years. Hindi po ako natalo. Diretso na ako pagka-Presidente. I never tasted defeat.

Sa mga babae, ah marami. T\*\*\* i\*\*. Wala. Puro busted. *[laughter]* Sige lang, sabi ko, kung ayaw ninyo ng --- O eh na-Presidente ako, ah bahala kayo. *[laughter]* Hindi ko na rin sila pinapansin. *[laughter]*

Kaya kung mayor ka, you are the president of your municipality. My God, how come ang tataas ng crime rates ninyo?

Sabi ko kay General Año, "i-audit mo nga 'yan sila, sir." And sabi ko, 'yung mga mayors na hindi makapag-control ng crime and every now and then may buy-bust dito, buy-bust doon. Kung saan-saan na lang. At it numbers like 20 buy-bust operations a day, eh tatanggalin mo 'yang pulis niya. Ilagay ko 'yung pulis ko. Ikaw na 'yung mayor.

Insofar as law and order, you are the mayor. Huwag mo nang pansinin 'yang mayor na 'yan. Tanggalin 'yan and I will file a case against you. Serious neglect of duty or simple neglect, or gross ignorance of the law or oppression, or simply doing nothing.

If you are not doing anything, I will file charges against you and sabihin ko kay Año, "i-dismiss mo." You recommend for the dismissal and I will sign it.

Hindi naman pwede akin lang lahat. Akin lang lahat ang patayan? *[laughter]* Bang, bang, bang, bang, bang. *[laughter]* Mag-share tayo. *[laughter]* Yabang mo. Makulong ako pagkatapos nito, kulong rin kayo. *[laughter]*

Sabagay, nandoon man si De Lima. *[laughter]* Hindi naman 'yan makalabas. *[laughter]*

Tapos sabi pa niya, 'yung halik ko daw doon sa Korea, acts of lasciviousness. P\*\*\*\*\* -- - acts of lasciviousness, nanood ka man ng TV, g\*\*\*.

Acts of lasciviousness. Ikaw? Nagpalabas ka ng x-rated, nag-exhibition ka. *[laughter]* Tapos ako ngayon ang acts of lasciviousness? Eh anong ginawa mo? So dahan-dahan ka magsalita.

Hindi lang kami nag-abot niyan sa law school. Kung nag-abot kami, hinulog ko sa hagdanan 'yan. *[laughter]* Sipa... *[laughter]*

Well actually, what I want you to do. Just enforce the law. You are there to enforce the law. Your mayor --- Alam mo, the long and short of our... You read your oath of office.

The long and short of that, you can reduce it in two sentences or two --- in so many --- not in so many words. It simply says, "protect the people and preserve the Republic of the Philippines as a nation." 'Yan lang.

Wala namang hinihingi niyang ano diyan... 'Yung budget eh, 'yung preparation of budget, that comes naturally everyday sa Cabinet.

Pero 'yung mga ganun na, 'yung as a matter of responsibility, ibigay talaga sa iyo, you do it.

Now if you are a mayor or a councilor or a barangay captain or a policeman or a military man and you use your office as a platform for drug operation, p\*\*\*\*\* i\*\*, mauuna talaga kayo, sabihin ko sa inyo.

I will not hesitate, I will not even blink. Hindi pwede 'yang ganun. Eh kung mag-negosyo ka, huwag sa ganun. Gagamitin mo 'yung pagka chief of police mo, pagka mayor mo, pagka gobernador. Mabuti't na lang, walang vice mayor pumasok ng droga, kung hindi patay na 'yan. *[applause]*

Pak-pak-pak-pak-pak, bantay kayo. *[laughter]* 'pag binola... Totoo 'yan. Tanungin niyo 'yung vice mayor --- tanungin ninyo 'yung governor ninyo.

Ayan governor lahat, pinatawag ko 'yan sila. Giprangkahan ko talaga. Sabi ko, p\*\*\*\*\* i\*\*, huwag kayo maglo --- patayin ko kayo. *[laughter]*

Totoo. Pero I --- I lay the predicate. I said, do not be insulted. Kasi ako pa naman, I hate to, you know, pareho lang rin tayo. I started as an OIC vice mayor.

Sabi ko, ayaw ko magsalita na ganito. But you know, I've heard so many stories. Sabi ko, "huwag kayong pumasok diyan."

Kinulong ko 'yan sila. Tanungin mo si Governor. Pinatawag ko, pinasira ko.

I even sent the soldiers out. Sabi ko, "doon na kayo sa labas. Kami lang mag-usap."

Sinabi ko talaga sa governors, ang mga mayors rin. "Huwag kayong pumasok diyan. Pagka pumasok ka, pinapatay mo 'yung pulis tapos ikaw 'yung nagsira ng..."

You know, mga tindera sa Manila pati mga driver, you better be careful. Kaya pag may disgrasya, ipa drug test mo talaga.

Karamihan kasi diyan, itong mga buang na driver, alam nila mag-drive sila. Kagaya ng pulis. Instead na matulog muna, magreserba ng tulog sa katawan kasi ang byahe

papuntang Bicol, papuntang Mindanao, eh walang ginawa kung hindi mag inom-inom diyan tapos pagdating ng --- kasi [unclear] pa ang byahe, [sniffs] 'yun na. Kaya mabangga. Twenty, 30 persons dead.

Ikaw naman makinig ka, magbasa ka, mag-init ang ulo mo. Imagine, the slaughter of - -- for nothing.

Kaya galit ako sa droga because it puts our children, our countrymen to slavery.

And they are slaves to a drug that has to have a fix for him. When the --- pagsakay ng --- when the monkey rides on his back, pagkati ng katawan niyan, wala naman masyadong pera 'yan.

Kaya itong sabi, huwag na lang 'yang... Alam mo na kung sino. "Bakit pinatay ni Duterte 'yung mga maya..." Pagka ugok ninyo.

You know, shabu is a commodity for the poor. Ang mga mayaman now are into cocaine.

Marami na pumapasok na cocaine because the cartel of Mexico is trying to come in.

Pag nag-mix 'yan sila mga dito sa... 'Yun. Tapon ng tapon ng ano, shabu. Niluluto lang kasi 'yan sa ano eh, wala na masyado dito. Niluluto 'yan sa international waters. May mga trawlers diyan eh.

Eh maski sa kusina ninyo akala mong kaya mong gamit --- lutuin 'yan. Pagkatapos iluto, ilagay 'yung mga blue na ano, tinatapon. May GPS. Mura man ang GPS. Lagyan ng GPS. O tapos pagpitik niyan, kunin na.

Kaya ito hanggang kamatayan talaga ang... I don't know. Pag wala na akong Presidente kung ano ang style ng... Pag hindi mo ginanito 'to, ah wala. Sigurado. Maski kayo alam ninyo 'yan.

Pag ako nagbigay dito, nag-ano ako, ah wala. Kawawa 'yung next generation. Walang mangyayari sa ating bayan, maniwala kayo.

Bakit ko man gawain 'yan, kay sabi ko, "patayin kita."

Why is there a need for me to threaten everybody? Is it really necessary? Bakit ba ako mag-hambog-hambog diyan? Magpayabang, patayin kita. Sino man ako? Akala mo naman wala akong buhay na pwede ring putulin.

But you know, I have this --- I take my oath. It's sacred to me. At saka may experience ako. I was doing trial work as a prosecutor for almost nine years. Doon ko nakita 'yung mga kaso na bumagsak na binibili, pinapalitan 'yung mga ebidensya pagdating doon, tawas na. P\*\*\*\*\* j\*\*. Eh wala akong magawa.

Sasabihin ng pulis, eh 'yun man sir ang ano --- 'yung, 'yung balita noon. Pera eh. Kaya bakit si Parojinog p\*\*\*\*\* j\*\*, bakit si Espinosa matapang. Bakit 'yan sila Odicta? They strut around as if kung sino.

Look, let me tell the Republic of the Philippines, the people. Itong highway natin, itong roads natin, itong park natin, para ito sa matitino --- the law-abiding citizen of this country. It is not for the drug people to be there. *[applause]* P\*\*\*\*\* i\*\* 'pag nakita kita diyan, damputin kita, itapon kita doon sa dagat. Gusto mo talaga malaman?

Tatala baka hulihin mo 'yan. Karga mo'g helicopter. Ayaw mo magsalita? O ikaw? Wa'y musulti ninyo? (How about you? Will no one among you confess?) Okay. Ihulog mo 'yang p\*\*\*\*\* i\*\* 'yan. O dalawa na lang kayo. Salita kayo.

"Wala sir. Wala man kami... Wala sir, naintriga lang." P\*\*\*\*\* i\*\* ka, naintriga ka, sige doon ka. Hulog mo.

"O ikaw? Ikaw nalang man usa. (You're the only one left) Mag-isa ka na lang. Ano magsalita ka?"

"Yes, sir."

"Totoo?"

"Yes, sir. Ibaba mo lang ako, sir. Sa opisina mo."

"Hindi, hindi, hindi. Ngayon na. Ano? Ano? Sinong pumatay kay ano? Sinong..."

"Sir kasi nag-aagawan sila diyan sa --- kung sinong tigas diyan."

"Iyan ang totoo?"

"Iyan sir."

"Ikaw?"

"Sir, may napatay ako sir dalawa. Pero sir utos lang talaga sir. Kung hindi, papatayin rin ako."

"Ah ganun, kawawa ka naman." Sige ihulog mo na. *[laughter]* O di wala.

O kayo, makinig kayo sa TV. Sige. T\*\*\*\*\* i\*\*\*\*\* 'yan. Kung gangster kayo, mas gangster ako. Sinabi ko nga...

Religion. P\*\*\* Huwag na lang. Nung bata pa ako, in one week, two, three times a day ako naka-ganun sa altar.

Wala na kasing relihiyoso kaysa akin. Harap ko talaga si Hesus. Harap ako sa kanya. Siya nakaharap doon. Matagal na siguro 'pag teenager ko, nakaganun na siya sa akin. Sabi ko, pareho talaga ang swerte natin, Jess. Wala talaga. Jesus, di Jess. *[laughter]*

I have a God. It's a God that in my ano --- it's a God that I... My concept of God is according to my values. We have different gods. Hindi tayo magkaintindihan diyan. My God is my God. But I have this deep and abiding faith in God.

Kaya ako maski ano, hindi ako sabihin matapang kay taga-Mindanao kami, kung saan-saan ako pumunta, nag-giyera dito, giyera doon. It's not because I am brave. Talagang takot rin ako. May mga anak ako eh. May mga apo ako. May dalawang asawa ako. *[laughter]* May dalawang --- tatlo na pala 'yan sila ngayon ang girlfriend ko. *[laughter]* Papaano 'yan? Sayang naman kung...

Pero 'yung Diyos ko is forgiving. Kasi naka-ganun 'yan siya, 'pag ako magtingin naka-ganun ang kamay. *[laughter]* Go ahead. Depende na 'yan kung how you deal with your faith.

Pangalawa ho, 'yung environmental impact. Now, kayong mga taga-Western Visayas. You know, just let me complete my task. Linisin ko lang. Huwag na 'yan kayo magsabi kay ibigay ko kay ano, kay sa mga mayaman. P\*\*\*\*\* i\*\*, kalokohan 'yan. Kailan pa ba ako tumawag ng mayaman? Since when?

Kaya sabi ko, iyang Boracay island na 'yan, tingnan ninyo sa ano, it's still forestal agricultural. Walang commercial diyan. And we are surprised kung bakit may mga bahay diyan, because neither it is a residential place.

So ang ginawa ko, hayaan mo muna ako. Huwag ninyo akong b\*\*\* s\*\*\*\*. Linisin ko 'yan. Pagkatapos, isauli ko sa mga tao na 'yung may-ari talaga. If they have the titles and they got the titles, by hook or by crook, para walang gulo, ibigay ko muna doon sa kanila. Let it go to the owners first, para walang gulo.

Then there is no commercial strip there which would allow you to set up a commercial establishment. Now I would leave it to Congress kung gusto ng Congress. Ako ayaw ko. Pero kung gusto ng Congress to restore Boracay, as a jewel of a destination for tourism.

I would leave it to Congress to cut a strip there from where the low and high tide water would reach, then maybe they can measure a certain area in land, maybe half a kilometer or one kilometer papasok as a commercial area.

But Boracay because of its small area can only take so much. If you allow residential lands there, maraming bibili diyan. Alam mo bakit? Eh Boracay is Boracay. So 'yung mga mayaman, magpunta doon, magbili ng lupa, magpatindig ng mga rest house, mga chalet, mga bungalow, 'yung vacation house nila.

Pero 'yung mag-commercial by itself, mabigat na 'yun. Even if you have a sewer and sewerage and a water treatment there. Mahirapan talaga mag-absorb ang environment diyan.

You add another set of humanity as residents there with houses, 'di kaya. Then you spoil the place again. Then it needs cleaning every now and then and ewan ko kung --- kasi itong Pilipino suplado talaga. 'Pag may gusto kang gawin, ang una, nagsisigaw na kaagad, galit. Ay I\*\*\*\*\* huwag mo nga akong ganunin.

Sabi ko, pagka trabaho ng gobyerno, trabaho 'yan. Sabi mo, magkuha kami. Meron pa mga gambling, casino. Ayaw ko ng gambling. Kaya ko tinanggal 'yung Government Corporate Counsel. Because itong APECO, it's Cagayan. Nagpunta ako doon kay sinu ---

sinira ko 'yung mga kotse nila karami. Doon ang smuggling eh. Port Irene. Eh sinira ko lahat. Nakita ko, wala. It's warehouses, about five big ones. Then just nothing. It's supposed to, you know, spark a tourism activity. Pero gambling lang.

Then itong interpretation ng isang... Akala ko abogado ka. You know, there was this franchise. Then they started to give permits outside of APECO the jurisdiction because kasali daw sa franchise. P\*\*\*\*\* j\*\* umabot na doon sa Nueva Ecija.

Eh sabi ko sa kanya, "Anong klaseng interpretation mo diyan? Dalawa na kayong PAGCOR. It's APECO and PAGCOR now who's issuing permits for gambling. Sabi ko, umalis ka nga. Look for another job. I do not like you."

Ako basta ako, sabihin ko corruption, ayaw ko talaga. However you look at me, kung anong tingin ninyo sa akin basta corruption, wala 'yan. Faults, mistakes plenty. Marami ako. All these years. As a matter of fact, if I complete my term, if God wills it.

Pero kung mag-sige dasal ng lahat ng kalaban ko. Ah, patay ako. Hulog 'yang eroplano maya *[laughter]* by sheer prayer. "Patayin na lang ninyo si Duterte."

You know, my mother is a Maranao ha. Ang lolo ko Chinese, Lam. Ang lola ko, taga-Lanao del Sur. Kaya, huwag ninyo akong... 'yung away-away nila, punta ako ng mosque doon, doon ako magdasal. Pareho tayo. Inaaway ako nung mga 'to. Unahin mo na. Marami 'yan sila.

I said there's a time to talk. I will not --- hindi muna ako. Shut up lang ako. I'll just shake the tree. Ginaganun ko lang 'yung kahoy. Naghuhulugan 'yan eh. When you shake the tree, lingaw. Lingaw sa Bisaya 'yung --- natutuwa ako.

'Pag ang society stagnant na, wala ng ideas na bago. Tapos sige na lang pabalik-balik na, you shake the tree. Kay makita mo.

Di ba ikaw rin? I have the documents. Matter of fact, may binigyan ako. I forgot kung sino. Ah doon sa airport, mga relatives ng mga sundalo nagpa-picture.

Iyang dalawang lang 'yan, droga pati corruption. Wala talaga. Ito sabihin ko sa inyo mga negosyante, ito si Congressman Yap. Pareho kayo ni aide ko si Bong.

Iyong Immigration, dito maraming pupunta. I'm warning the Immigration guys here. Kung wala dito, then the police should tell them... Ayon ang pulis dire. You tell the --- sabihin mo diyan sa mga Immigration, pati lahat na --- Immigration, police, lahat. Pagka ang turista, either Chinese o Korean, alam mo...

Tapusin ko muna. You are not allowed to accost anybody, any tourist for that matter. Iyong mga Immigration, stop it. Stop f\*\*\*\*\* the...

Tatal 'pag na i-stampan (stamp) na 'yan sa international airport ng Cebu, when they come here, huwag ninyong galawin 'yan. Moment na may nabalitaan ako, go out. I will dismiss you.

Ayan kasi, kaya 'yung Koreano, 'diba? 'Yung mga Koreano ina-accost, ganun. Tapos 'yung isa suspect, ganun. Chinese. Tapos pinatay pa sa kampo doon sa pulis.

Nung nagpunta ako ng Korea, doon na kami nagka... Kaya nahiya ako. "Why is it that our citizens whom you are trying to invite to visit you are being killed in military camps?" P\*\*\* hindi ko masagot-sagot, sa totoo lang. Nakakainsulto na... Tsk.

Kaya 'pag dali ko, sabi ko --- It's only Morente who's the chief of Immigration who can order his men special authority to... Police, lahat, army, lahat. No... wala 'yan. Huwag ninyong pakialaman 'yang mga turista, maski tingin-tingin diyan sa... Nabu-bwisit ako diyan.

'Pag nagawa mo 'yan, ah pasensya ka. Pag hindi kita na...

First time 'yan sila taga-Malacañan nakita sila nagbugbog ng tao doon. Oo, wala may Presidente mangukata. (No president mauls people) Naa ko, o. (I have this) kita mo o, na-slice 'yung kamay ko.

Pag-karate ko ng ganun, nasobrahan. *[laughter]* Napunta doon sa... Anong tawag ninyo diyan sa 'yung basahan nato'g nota (where the piano notes and sheet music are placed), kung naga-piano ka, 'yung ano naga --- 'Diba may binabasa? 'Yung frame. Na-slice 'yung kamay ko.

Nakita nila. Sabi ko, "P\*\*\*\*\* i\*\* ka. Hilig kang pera siguro 'yan eh. Harap. Bigyan niyo ako pera." Kay wa man ko'y kwarta, ingon ko sa ila. (I told them)

Nakita sila. Pinakain ko. "Gusto mo pera? Hindi kita bigyan ng pera. Ipakain ko pa sa iyo. Kung gusto mo, kainin mo. P\*\*\*\*\* i\*\* ka."

Kita 'yan sila ng unang Presidente talaga nang-bugbog. Walang pasensya dito sa mga... May sinipa rin ako diyan sa mukha, undersecretary. 'Yung ganun. Eh 'yung...

Pero mag-uwi na ako kay hapon na. Alas singko. *[laughter]* Basahin ko na lang itong last paragraph part. Kawawa naman 'yung nag gawa dito. *[Sino, ikaw? Sino bang PMS dito? Siya pala, hindi? Ano ka? Taga-rito ka? Ah, Protocol. Maganda ka lagi.] [laughter]*

I'll just read the --- the last two paragraphs para naman siguro... Umagang-umaga. Ito 'yung sinulat niya. Basta makinig lang rin kayo, siyempre. *[laughter]* Tapos magpalakpak kayo para ano na lang, Consuelo de bobo ba. *[laughter]*

Indeed, I cannot over-emphasize that you play a pivotal role in the administration's task to rid the society of these ills that have made our people suffer and have long impeded our country's development for so long.

As part of the LGUs, you are one of our front liners in bringing the government closer to the people.

May you continue to be a partner in helping us attain peace, progress, and prosperity for our communities and our country.

The earlier you do away with your mayor, the earlier you become the mayor also. *[laughter, cheers and applause]*

'Di 'pag ano, ipa-kidnap mo lang. *[laughter]* Tapos para walang leak, ikaw na mismo. *[laughter]*

"Mayor, patayin kita. Walang nagbayad sa akin. Pero ang sabi ni Duterte, kung gusto ko raw na mapa-aga-aga, kasi pagkatapos mo, naghihintay man 'yung asawa mo. *[laughter]* Tapos 'yung pagkatapos ng asawa mo, magsama ng ibang lalaki, 'yung anak mo naman ang patakbuhan mo."

So sabihin mo, "Paano ako nito? *[laughter]* Hanggang vice mayor lang ba ako nito?" *[laughter]*

Or ipa-barang mo. *[laughter]* Anong Tagalog sa barang? Ah. Ipa-kulam mo. *[laughter]* Marami dito sa --- asa? Siquijor, Antique, 'yang mga 'yan. Ipa-barang mo.

'Yung kung playboy 'yung --- playboy 'yung mayor ninyo, papalakihin mo 'yung b\*\*\*\* *[laughter]* para hindi na makalakad. *[laughter]*

Alam mo, wala na tayong ginawa dito kung kalokohan.

Maraming salamat po. *[laughter and applause]*
