**MEDIA INTERVIEW WITH PRESIDENT RODRIGO ROA DUTERTE
FOLLOWING HIS VISIT TO THE WAKE OF AKO BICOL REP. RODEL
BATOCABE**

[Bicol University, Daraga, Albay | 26 December 2018]

PRESIDENT DUTERTE: Pare-pareho ang posisyon ninyo maski saan. So sinong mag-timon? Wala?

Q: Sir, President good evening po.

PRESIDENT DUTERTE: Ano ka ma'am?

Q: I'm TV 5 po...

PRESIDENT DUTERTE: Ah...

Q: Sir, kamusta po 'yung pag-uusap natin with the family?

PRESIDENT DUTERTE: Well of course, they are grieving and we share the grief of -- especially the wife and children. And we had a conference there inside, together with the widow and son.

Ang una nila is they're asking for justice. So para madalian, anyway there's really lawlessness and 'yung violent crimes during election, I just called the chairman of the Comelec and recommended to him to place Daraga under Comelec control.

And so with also my --- word on the incident. Sabi ko, let's go back to the Alunan doctrine that no candidate should strut around with bodyguards with long firearms. That's prohibited. Only the police and the military. All others, wala. Except when you are granted a permit to carry by the Comelec.

So lahat 'yan ngayon is Comelec control. So si --- it's the office that has the final say of what to do in the matter of law and order.

Ako naman I --- sabi ko, I'll just reiterate my warning that I will not allow. Well, as a worker of government also, to just sit on our a** and allow these things to happen. So I'm very much interested in the solution.

There are leads according to the police. I'm not at liberty really to talk about it because it would be incomplete. But ang --- you can rest assure that the Daraga would be peaceful during the entire election.

And may warning lang ako sa mga kandidato na who are prone to just kill their political opponents, precisely to win. Lalo na 'yung mga tao na yumaman diyan sa pwesto. And they are there not really to protect or to serve their constituents but their personal interest and 'yung --- their desire to win by hook or by crook. Killing could be a --- a remedy para sa kanila mawala 'yung kalaban nila.

So let me just say, I promise the Filipino people, my country that I will not allow political terrorism, oppression, and intimidation. So kung nakinig kayongayon, eh kung hindi ikaw, just ignore it. But if you are the one na gumagawa ng kalokohan, pinapatay 'yung mga kalaban, p***** i** mo pupuntahan kita dito. I will personally confront you.

'Pag hindi tayo nagkaintindihan, sampalin kita dito sa harap ng... At kung may ebidensya ko, kaladkarin kita. You better behave. You act like an angel. Huwag ninyong takutin ang mga tao o patayin ninyo because I will not allow it. Hindi ako nag-ano, nag-ano ng --- kung sino 'yan. Pero sabi ng mga taga --- taga-rito at buong Bicol region alam nila kung sino.

Ako, I have my reasons also to suspect the guy. Huwag mong gawain 'yan kasi hindi lahat tao matatakot nang ganun. Kaya 'pag ikaw ang natamaan nito, babalik ako dito, pahiyain kita. You know what, akyatin kita sa bahay mo, sampalin kita. Kung gusto mong subukan, gagawa ka pa ng isang kalokohan.

Ngayon, 'pag napundi ako sa'yo, p***** j** mo babarilin kita. Kung 'yan ang paraan lang para magkaroon tayo ng kapayapaan, na peaceful election then do not f*** the system. Better behave.

Kasi ang election is --- 'yung tao namimili. Maski sabihin mo 'yang tao na 'yan, ugaling aso, if it's the choice of the people. Then so be it. Do not go around intimidating or killing your opponents. Kasi hindi maganda 'yan. At saka ipinapahiya mo ang Armed Forces, who made the guarantee and the police that in this country they will protect democratic practices.

Me, also because I'm a worker of government. And it's --- my oath of office says that I should do something about it and Comelec, magtulung-tulungan kami.

Kaya kung isa ka lang, 'yung mga M-16 mo tapos 'yung mga baril ninyo na --- hindi 'yan makakatulong. Maniwala ka. Do not do it because you will suffer the consequences. Hindi ako nagpapatapang-tapangan pero huwag ka talagang magkalat dito. Babalikan ka dito. Akyatin kita sa bahay, sampalin kita sa harap ng pamilya mo.

Iyan lang ang paraan na ano eh. Hindi naman --- hindi kasi kayo natatakot ng mga warning-warning. Eh ako, nag-warning na ako. 'Pag pinahiya mo ako, p***** j** mo. Babanatan kita... Sabihin Presidente... Kaya ko rin pumasok ng kulungan.

You know, if there is one thing na dapat malaman nitong mga unggoy na ito, mga politiko, na hindi lang ikaw ang marunong ng ganyan. Patayin mo mga kalaban mo. Hindi naman lahat ng tao tatanggap ng ganun. So that's my warning.

Lahat ng Armalites mo, lahat ng baril mo, hindi makakatulong 'yan at the end of the day habang ako, not during my time, my watch. Maghanap ka ng ibang election na maggagawa ka nga ganun.

So the election here will be peaceful and I am reminding the communists to do the same. Kung interesado kayo talaga sa process na ito, huwag kayong makialam. Better still, huwag kayong maghingi ng proteksyon. Maghingi kayo ng per... Para rin kayong Comelec. Ang Comelec, wala mang --- hindi mang --- wala mang bayad.

Kayo, you pretend to protect the election then you are loud in telling us na kailangan 'yung sino 'yung tao na gustong magsilbi, 'yun 'yun siya. Ang problema nitong mga komunista, paano nga makakampanya 'yung tao, isa pa kayo, kung humihingi kayo ng pera.

Eh 'yung mga kandidato na walang pera, hindi nakakakampanya. Tapos sabihin ninyo that you are there to protect the people, blah blah blah. Lahat kayo eh. That's another dimension of the problem here.

Ang NPA, the extortion, so you cause an aberration in the system na ang tao gustong pumunta ng bukid, magkampanya, kasi hindi makapunta kasi hiningian ninyo ng pera. Itong the other side of the picture, the ugly picture of politics here is pinapatay 'yung kalaban.

And this guy has been known to --- a suspect lang. Suspect ka lang palagi. Suspect. Kung ganun, ikaw. Remember that you have to move around and you are not only one who can --- who knows how to pull a trigger. Tandaan mo 'yan.

Hindi kita tinatakot. As a matter of fact, sabihin mo lang kung nasaan ka. Better still, hintayin mo matapos ako pagka --- tawagin mo ako. Punta ka. Kung gis --- kung tulog ako, gisingin mo ako. Hindi pwede 'yang ganun adre...

I'm talking to you, just like the... *[garbled]* Sabi ko sa kanila na may substitute. Kung sino 'yung substitute niya, it could be anybody chosen by the party, party list man, or chosen by --- kung sino 'yung piliin ng mga tao dito, huwag ninyong galawin. Huwag mong galawin, sa totoo lang, madidisgrasya ka.

Sa ayaw mo't sa hindi, maniwala ka. Kasi lahat ng mga mayor matigas ng ulo, talagang... P***** j** mo, huwag mo akong... Sabihin ko, hindi lang ikaw ang marunong dito sa...

So there will be a candidate. It could be the widow, it could be a son, it could be a brother. Kung ikaw, ako pa sa'yo, huwag ka na muna maglakad because I am

placing the entire --- itong Armed Forces na assigned dito and the police to maintain law and order. Magdala ka ng baril, makadaan ka ng checkpoint at sabihin mo, hindi ako papara kay governor ako, mayor ako.

Ang utos ko sa police pati military, p***** i** patayin mo. Subukan natin. Gumawa nga tayo ng kaso minsan. Gawain mo lang rin inutil 'yung mga sundalo ko, pati police ko, ayaw ninyo paniwalaan, may checkpoint, hindi kayo magpara kasi governor ka or mayor ka, p***** i**. Ang utos ko, totoo 'yan.

'Pag ayaw huminto, makipag-away sa inyo, barilin mo. Iyan lang, simple 'yan. Wala na tayong arte, human rights, human rights. Iyon ang usapan.

So we will provide security for everybody, including the people who'd be attending rallies and meetings. So now if there is a stupid idiot there on the loose, guguluhin niya o create a world of violence. Huwag ninyong gawain 'yan kasi mahirap.

Pagka --- ito gawa ito ng gangland style eh. Mahirap kasi ano --- para kang train at ako ang gobyerno, nagtatakbo tayo ng isang rail lang, isang daan lang. Ako papauwi ako ngayon. Kung бага train pa ako, isang rail lang ginagamit ko. Ikaw diyan, magsasalpukan talaga tayo. Sigurado ikaw 'yan.

Sige ho. Question.

Q: Mayor, reaction lang po kasi speaking of police po, may police po sa Iloilo na sinaktan at binugbog po ng congressman at saka 'yung anak niya. Ano po 'yung reaksiyon natin dito?

PRESIDENT DUTERTE: Well, kung may kasalanan man ang police, it's not a reason especially a police officer na bugbugin mo. So I will look in --- I just read it from the newspaper. So they will have to file the case. Direct assault.

So again, you could file charges. I will ask General Año to take a look bakit nagkaganun, investigate. But I will --- I'm not urging him. I'm ordering him to file a case against the two. Iyong mag-ama ba 'yun o bro --- mag-ama, oo. Maski sino.

At kung ganun rin, kagaya ng --- nagkainitan rin doon. All we have to do is to ask the Comelec to place you under Comelec control. Iyan ang problema diyan. And 'yung carrying of firearms does not only apply here in Daraga or in Albay or Bicol, it applies to all places.

It applies to all territories of the Philippine government. Sabi ko, ako mismo, sinabi ko 'yan early on na huwag ninyong gawain 'yung terror --- political terrorism. Hindi maganda. Tsaka wala ng demokrasya papatayin mo.

If there is no democracy, ikaw rin mag-umpisa. So the people would have every right to remove you so that democracy can survive. So if you fight government, pagbigyan kita.

Hindi 'yan sa tapang-tapangan. Marami tayong may ganun... As I have been telling everybody, do not ever, ever think that you monopolize evil in this country. Huwag ka talagang maniwala na ikaw ang sikat na ikaw ang marunong.

You will --- to your sorrow you will find out.

Tsaka kayong mga taga-ano, huwag kayong magpakaya. Payag pala kayo mag-terrorismo isang tao. I don't know who he is. He could be a mayor, he could be a governor, he could be just a plain --- galit. But that is not the way how to do it.

Pero basta sinabi ko, akyatin kita sa bahay. Mayor ka man, governor. Mag-demanda ka na. Akyatin kita sa bahay, sampalin kita. Ipakita ko sa mga tao dito na you're just a piece of s***. You don't go around killing people as if you own this property, the Republic of the Philippines.

Sa lahat 'yan. Masbate is also one plus point. And itong isa --- it's developing in other places.

Any more question?

Q: Mr. President, I would just like to clear.

PRESIDENT DUTERTE: Anong punerarya?

Q: Hindi... ABS-CBN.

PRESIDENT DUTERTE: Rekomendado ma'am?

Q: Karen Cannon po President, from ABS-CBN Legazpi.

PRESIDENT DUTERTE: Yes?

Q: Iyong sinabi niyo po, sir, President, kanina, may suspect na po tayo pero?

PRESIDENT DUTERTE: Wala. It could be anybody.

Q: Hindi pa identified?

PRESIDENT DUTERTE: So if I say politically motivated, it could be a politician, it could be the mayor, it could be the governor, or a barangay captain. But my favorite name now is mayor. But I'm not saying who that mayor is.

Sinabi ng widow --- I was in --- I was still in Davao. Sa news kanina, I was listening before flying in na --- Sabi niya, "Mayor, alam mo na alam ko ang kalokohan mo," sabi ni asawa.

Kaya sabihin ko na lang rin, "Mayor..." I join the widow. Baka ikaw nga. Kaya may tatakbo as substitute. P***** i** mo, matatalo ka man talaga. Do not try to be desperate and do folly things because you'll have to deal with the government, the people, the Armed Forces, pati the Philippine National Police. Huwag ka talagang... Baka susunod ka.

Do not make it hard for democracy to survive. Because if you do not allow free elections, there is no democracy, and if there is no democracy, then we'll just have to look for the guy who is responsible for destroying the democratic processes in this part of the country.

Wala akong... There is no bravado. Wala 'yan. Ako may pamilya, takot rin ako so... Pero may nasabi ako na, "Huwag. Huwag mo akong hiyain kasi p***** i** mo, yayariin kita." At kung sa kulungan lang, eh 'di pakulong tayo. Huwag lang akong mapahiya.

Pahiyain mo ako? Magpakulong ako. But of course, hahanapin mo pa kung sino. Pwede ko naman utusan isang media dito. "Barilin mo." Kaya mo, ma'am? Takot ka? Saan bahay niyo? Puntahan natin. Gusto mo? *[laughter]*

Q: Pero ano, Mr. Pre --- are you su --- are you confident na maso-solve po itong case?

PRESIDENT DUTERTE: Yes. Based on the initial findings and the leads are very strong. The link is quite --- it's not a warped one. It's almost straight. So walang paliko-liko.

Kaya magpa-bless ka na lang sa obispo mo. Huwag, huwag mo akong --- do not force my hand into it. Kasi when everything goes wrong, 'pag maganda ang panahon, we get a credit but kung ganito naman, we get all the blame lalo na ang pulis.

I'd like talk about something else. Now, if there's a candidate here holding a rally or meeting in a public place or even in private or inside a building, maraming pulis 'yan. The police is not acting as a bodyguard for that particular candidate holding the rally. The police are there to protect the people.

At alam mo na, magbobomba, kung mag --- kung ano-anong gawin para sirain lang. Pure terrorism. Pagka ganun, sasalubungin mo talaga ako diyan, sigurado 'yan.

Or kung sakit ang ulo ko, you have to deal with Albayalde and Madrigal because they are really people who are mandated by the Constitution to see to it that everything is in order. So huwag kayong magtaka na... There will be a lot of military and police.

Checkpoints, you'll just have to bear with it. There will be checkpoints. Tapos I have ordered it to be mobile. They can set it up anywhere in the city. Please do not violate the law because you will be arrested. Walang barangay-barangay o walang mayor-mayor dito.

We follow, kasi ako sumunod. Ako I cannot even carry a gun. Wala rin ako. Panyo lang pang --- kung magpa --- mapaiyak ka... *[laughter]*

Ay nakalimutan ko. May binulong si Senator Go. The reward is at this time is 30 million. I'm raising the ante. I'm putting it at plus 20 to 50. Ang sabihin mo lang, tip lang. Bigyan mo isang tip lang.

Huwag mong ibulgar. Huwag kang magbigay ng pangalan. Magbili ka ng --- itong y*** --- ito, ito, itong cellphone na 'to, 'yung murahin. Ano man 'yang murahin 'yan?

Q: Asus po.

Q: Prepaid.

PRESIDENT DUTERTE: Hindi, 'yung mura lang. Oo, prepaid.

I-text mo lang sa... You can report it to --- hindi, nagbibiro lang ako. Mababait naman. I'm sure the priests are as much as interested as anybody else in this room now. Text mo lang. Makikita 'yan sa priority ng ano.

Ilagay mo lang, "To archbishop," o "Father ano, si ano 'yan." Tapos taguin mo lang 'yan. Pagdating ng panahon, maraming magki-claim. Ipakita mo, then we will know. We'll go to Globe and Smart. Makikita mo naman 'yung priority ng pasok ng information eh.

So we will know kung sino 'yung nagbigay ng accurate at totoo. Ganun lang. Huwag ka maggamit ng pangalan. Taguin mo lang 'yung cellphone mo. Bili ka diyan. Mag-imbento ka ng pangalan.

Si --- sino nga 'yung magandang babae diyan sa ano? Artista, si Locsin?

Q: Angel Locsin.

PRESIDENT DUTERTE: Ikaw ma'am, pwede ka. Bicolana ka. Marami akong brad dito. Si Judge Clavecilla. Brad ko 'yan, classmate ko pa 'yan. Mabait 'yan.

So 'yan. Fifty million. Gawain mo lang, bumili ka ng cellphone o sim tapos i-ano mo. Ibigay mo lang pangalan. Si --- pwede bishop. Tapos pag-claim na ng prize, we'll ask the bishop here, ibigay mo 'yung sim mo, then we will go to Smart and sa Globe. Tingnan namin 'yung sino 'yung pinakaunang --- in their order.

Tapos gusto mo doon na sa bishop. O kung sa pari, bigyan mo tip ang pari. Kung hindi, maghingì man rin 'yan pagka Linggo.

Bakit ka sige bira ng ano mo, ma'am? Ang akala ko may --- inano ka ng... May dala ka ng baril? Bawal... Ha? Bakit ka sige cover?

Q: Wala po.

PRESIDENT DUTERTE: Ah 'yung pusod mo. *[laughter]* Eh 'di taasan mo konti 'yung damitmo... Sinong cutter mo? *[laughter]* Hindi, totoo lang. Hindi ako nag... Sinong nag-design ng ano mo na paganun? O 'yan 'pag magganun, makita 'yung --- 'yun.

O 'yung isa, ano man --- kamay. I-angat mo. Gusto ko 'yang ganun. Bilihan ko asawa ko. Mukhang magandang style. O ayan o.

Any more questions? Ngayon na. Yes.

Q: Assurance lang po ng security just in case meron po talagang nakaka...

PRESIDENT DUTERTE: P***** i**, 'pag may nangyari sa pamilya dito, ikaw 'yan. T*** i** mo, ikaw 'yan, tingnan mo. Kung gusto mong subukan, subukan mo. Hindi ka rin tatagal, sa totoo lang. Hindi kami --- hindi kami g*** dito na paglaruan ninyo.

Magdasal ka na hindi mahulog sa hagdanan 'yung biyuda. 'Pag nahulog 'yan, bantay ka sa akin. Sabi ko babalikan lang kita. Sampalin pa kita sa maraming tao. Matapang ka? O 'di sige. Tayong dalawa sa kwarto mo.

Ang ibig kong sabihin, "Hoy g*** kang ulol ka. P***** i** mo. Hindi lahat ng tao, natatakot ng..."

Tsaka 'yung mga NPA, allow the people to campaign. Do not pretend to be the protector of people and yet you are milking them dry.

Kaya isa nga kayo sa mga suspect, NPA. Pero sabi niyo hindi, 'di hindi. Eh ngayon kung hindi kayo, sino? Sige daw be. Meron pa man...

Magkaibigan man talaga tayo. Kung hindi kayo, sino? Ibigay mo sa akin 'yung pangalan. Alam ko naman ang last election, ang left dito, ang iba nag --- Duterte

'yan. Kaya 'yung chief ninyo, sabihin mo, kung dadalin sa mainit ulo kay walang mangyari diyan sa peace talk, peace talk.

Ako gusto ko, matapos na 'to. Ayaw kong pumatay ng --- I know that it starts with a prinsipyo sa buhay mo. Although I do not agree with the armed struggle, I agree with the issues that you are raising. Believe me.

Punta ako ng... Buwan-buwan nagdi-distribute ako ng land titles. Ang inuna ko, ang ano ng --- lupa ng gobyerno. Sabi ko, ibigay mo na lahat 'yan. Wala namang...

Ikaw ma'am, may asawa ka na?

Q: Wala po.

PRESIDENT DUTERTE: Huwag ka magalit ha. Kailan birthday mo?

Q: February po.

PRESIDENT DUTERTE: So belated na lang ang... Bilihan kita ng bakos kasi mukhang mahulog 'yan. *[laughter]*

Totoo... Hindi ako... I'm not trying to... Sabi nila woman-hater. Woman-hater? Ako na nga ang nagsu-suggest na magbili ng bakos para hindi mahulog. Malapit na eh.

Hindi nahulog? Totoo?

Q: Hindi po.

PRESIDENT DUTERTE: It stays there kung anong...

Q: Opo.

Q: Sir, dumalaw na rin po ba kayo kay SPO1 Orlando Diaz sir?

PRESIDENT DUTERTE: Pupunta pa. I don't know if I have time. But nandito lang ba 'yan siya?

Q: Ligao sir.

PRESIDENT DUTERTE: I have an appointment tomorrow. But if it's near here, I will pass by na lang.

Q: One hour sir.

PRESIDENT DUTERTE: Akala ko may nine o'clock ako. Well anyway, I'd like to extend also my condolences to the family of the late police officer.

Ano na lang. Console yourself with the fact that he died in the line of duty and alam mo pagka mag-security ka, the possibility of dying is there always. You take chances you know.

Pero wala akong --- I'm sorry to say to the family. Nandito man si General Albayalde. Siya na lang siguro magbisita para...

Anyway, maganda ang... I mean I'm happy that we have been able to improve the lot of the ordinary soldier and police. You can be assured that...

Let me give you this assurance that the schooling of your children, if you are married, will continue, that government will spend for their education and pagka walang --- wala ka pang bahay, kung merong mga housing projects ang... Meron ba dito? Mga NHA project? Kung wala, we'll provide you with a decent home.

So 'yan lang naman. Pati kung wala kang trabaho, get in touch with your D --- saan ang DILG dito? Saan ang DILG?

[Ah pumunta na. Ilang anak? Ang asawa anong trabaho?]

So we will take care of the education of the children and kung walang bahay nagre-renta, we'll build the house for... I will spend all the money at my control na mabigyan sila ng bahay. Automatic 'yan ngayon. Police or military.

NPA, you go down. You come down. I still have about 15,000 all over. Bakante pa. There sa Davao, matatapos na 'yung sa police. But kung mag-surrender kayo lahat, sabihin ko sa police, maghintay na lang muna tayo tapos kung --- may 1,000, ibigay ko lahat sa inyo. Then I will pay for your schooling sa TESDA to get a training.

O kung farmers kayo, then we will start the ideal. Gobyerno muna. Ubusin ko ang lupa ng gobyerno. Then after that, we will go to 'yung landed estates. We will implement the land reform. I have implemented sa --- I started with Boracay. Sa likod ng Boracay is --- there's --- one million na 'yan ngayon. Ginawa kong land reform area, binigay ko sa natives.

As it is now, they have a lupa, agricultural na worth one million. Someday, when the prohibition is over, when they can sell the land, I'm sure itong mga anak ng mga *[garbled]* can sell it for so many millions. At least 'yung mga anak nila makahawak ng pera na malaki. Para mabaliktad naman ang mundo. Kagaya ng mga Ati doon, sila 'yung original. So five years from now, they can sell it and they will

earn millions. Iyan na lang ang consuelo ko, makatikim rin sila ng pera na malaki. So okay na sa akin.

Rather than open it for exploitation sa commercial. Wala... Sosolohin lang 'yan ng mga ano, mayayaman na sige payaman.

Bro, p***, NPA ka siguro? T*** i**. *[laughter]* Ilagay mo nga diyan. Makinig ka nga.

Q: Bisaya rin po eh.

PRESIDENT DUTERTE: NPA ka?

Q: Hindi sir.

PRESIDENT DUTERTE: Ah, nakita ko 'yung ano mo kanina sa... Sabi ko, sino...

Brad pala. Taga-saan ka?

Q: Sa Surigao del Norte po.

PRESIDENT DUTERTE: Ikaw ma'am mukhang...

Q: From Legazpi po.

PRESIDENT DUTERTE: Ah... *[garbled]*

Q: Bagong kasal, Presidente.

PRESIDENT DUTERTE: Ah, siya?

Q: Oo, bagong kasal.

PRESIDENT DUTERTE: Sinong asawa mo? Nandito?

Q: Wala po.

PRESIDENT DUTERTE: Ano --- anong trabaho ng asawa mo, ma'am?

Q: Teacher po.

PRESIDENT DUTERTE: Maganda. It's a very noble profession. Sharing your knowledge with... Isa sa pinakamagandang trabaho. Ikaw, teacher rin? Teacher ka rin, hindi?

Q: Reporter po.

PRESIDENT DUTERTE: Ilan ang anak ninyo?

Q: Wala pa po.

PRESIDENT DUTERTE: Bago lang kayong kasal?

Q: Last week.

PRESIDENT DUTERTE: Palumano be. *[laughter]* Ikaw ha. Mabait siya? *[laughter]* 'Di, totoo?

Q: Loyal po. *[laughter]*

PRESIDENT DUTERTE: Kagaya ko. *[laughter]* Bilib ako sa iyo. Namili ka. Mabait, loyal ha. Ilang taon na?

Q: 31. Parehas po.

PRESIDENT DUTERTE: Ah, you married late? 31?

Q: 31.

PRESIDENT DUTERTE: Ikaw rin?

Q: Opo.

PRESIDENT DUTERTE: Sino ang naunang na-boyfriend mo? Wala?

Q: Siya lang.

PRESIDENT DUTERTE: Totoo? I believe you. Naghintay ka talaga ng ideal man mo ha.

Q: Bakit ako...

PRESIDENT DUTERTE: Ma'am, kung matagal pa kayong maghintay ng putok ng... Maya mag-uwi na lang ako. *[laughter]*

Any question of public significance? Anong problema niyo rito? Problema dito, 'yung mga tao na ayaw matalo. Gusto sigurado... Ah kapagka ganun, adre...

Q: Pero what made you say Mr. President na talagang all politically motivated? Iyon lang po 'yung...

PRESIDENT DUTERTE: Iyong process of elimination. Ilista mo 'yan tapos i-discuss mo ito. So you have everybody there. So what's the percentage? Ganun.

You are only... More or less ganun ang ano mo. In a scale of one to 10, it could be four. Ito, ito, ito, tapos alisin 'yan sa listahan. So hanggang maging, "Ah, hindi 'yan, malayo 'yan."

NPA, mukhang... Kasi nagsabi na 'yan hindi raw sila. Maniwala naman ako sa kanila. So maniwala kayo sa akin. You come down. I will build houses for you. You learn skills in TESDA, we will open a school here. O kung nandiyan na, we will expand. You will have a house of your own.

Alam mo ang --- sa karaming tao. Mahirap kaming maka --- meron kang isa --- a piece of land under the sun. Kaya ibigay ko sa inyo, inyo na 'yan. O kung gusto mong mag-migrate sa Mindanao, may 1,000. Mga about 600 na ang natapos. Para 'yan sa military.

Pero 'pag magbaban kayo lahat, sabihin ko sa military. Papayag naman 'yang --- itong mga tao na ito. Para sa kanila, if it's more in keeping with realizing in our lifetime, a peace agreement, papayag 'yang military, ibigay na lang muna sa inyo. Ako na ang makiusap sa kanila. But also, I'll build them a house someday.

Pero as it is, binibigay ko 'yan sa mga sundalo. And in other places, especially in Negros. Sabi ko, implement more. I-implement ninyo 'yang land reform. Itong DAR dito, more. Paduguin mo talaga. Paduguin mo para we can solve.

We cannot solve this war with shooting everybody. Ano man rin makuha mo kung patayin mo lahat ng Pilipino. Anong makuha mo? Kaya bumaba na kayo dito mag usap na lang tayo.

And I will deliver what --- immediately kung gusto ninyo. Immediately --- ora mismo. I will order the TESDA to come here and build a school. Or if there is already one, to expand its services. Bigyan ko kayo ng lupa, bigyan ko kayo bahay. Kung merong kayong na-target na maganda, let us see if it is --- subject of a land reform and I will order the DAR to initiate. Iyan lang 'yan, 'yan lang rin ang ano. Thank you for this occasion.

Alam ninyo mga NPA, wala --- hindi ninyo ako kalaban. Sa totoo lang wala kayong makuha kung patayin ninyo ako. Gusto kong patayin 'yung ulol na... Huwag mo akong --- huwag mo akong bolahin I****. After all, kung idagdag kita, hindi lang ikaw ang mayor na namatay dito sa mundong ito.

Diba ma'am? ABS-CBN ka?

Isa pa 'yang ABS-CBN na 'yan. Pero hindi ikaw. Iyong ano lang. Inotso 'yung pera ko. Nagbayad ako tapos hindi ipinalabas.

Ikaw ma'am? Photojournalist ka?

Q: Sa PIA po ako sir.

PRESIDENT DUTERTE: Ang ganda ng camera mo, mag-picture taking tayo doon. *[laughter]*

Q: Sure po.

PRESIDENT DUTERTE: Hala ka. Anong nailagay diyan? *[laughter]* Inside the future...

Q: Inhale the future...

PRESIDENT DUTERTE: I cannot...

Wala kang asawa? Papayag ang asawa mo na may ganun ka? Paano ipa-erase mo? Pareho kayo kay Inday, 'yung anak ko. Nakita mo 'yung legs ni Inday? Aysus. Tingnan mo 'yung... Pareho rin.

Pero 'yang --- ang nag-suggest niyan, boyfriend mo 'no? Initiative mo lang?

Q: Opo.

PRESIDENT DUTERTE: Who is the inspiration? Ako? Hindi ka siguro bumoto sa akin.

Q: Binoto po.

PRESIDENT DUTERTE: Lumapit ka dito.

Salamat ha. Mag-alis na ako kay... Beso-beso na lang tayo. *[laughter]* Tapos sabihin na naman... "Ito si Duterte..." Pakiulit nga dito sa kabila. *[laughter]* Biro lang 'yun ha.

Q: Opo.

PRESIDENT DUTERTE: Ikaw... Congratulations. Hindi selosa asawa mo? Ibig sabihin hindi ka pwede i-beso-beso ganun...

Q: Okay lang...

PRESIDENT DUTERTE: Para maging close ako...

--- END ---
