**REMARKS OF  
PRESIDENT RODRIGO ROA DUTERTE  
DURING THE NATIONAL PEACE AND ORDER COUNCIL MEETING**

[Davao City | 14 March 2019]

...you begin to kill your policemen and some of the agents of the MIG, which have never been found. Then there's something wrong with you. Talagang g\*\*\* ka at dapat ka talagang mamatay p\*\*\*\*\* i\*\* mo. Why do you do that to your country? And who would ever enjoy a country that is a failed state or in a disarray?

Not me. So I will just be clear that the last remaining years ko will be the most dangerous years for a person into trafficking sa drugs. I will make --- you know, you are there because drug is relevant in the everyday life of the people.

Nandiyan 'yung pera so it becomes relevant. Nandiyan 'yung gustong mga kotse na maganda which they have been to --- to attain in an ordinary business, money lending. Then you buy two Lamborghinis and 30 other cars.

P\*\*\* sinong niloloko mo? I mean, you, you --- ang masakit dito --- kaya itong mga p\*\*\*\*\* i\*\*\*\*\* mga nandiyan sa droga 'yung mga big-time sa probinsya, they are not at it. Not even their children. They go to school in Switzerland. Tingnan mo 'yung Facebook nila, you are analyzing the whole thing. Then they are against the backdrop of a mountain of snow. They flaunt their joys and their happiness at the expense of the Filipino blood.

Eh kung ganun hindi tayo magkaintindihan nito. Eh hindi talaga tayo magkaintindihan. Magpatayan pa tayo dito kung ganun. Eh ako ayaw ko talaga even if I have to burn in hell or being hanged. You know I would like just to say a few vignettes of life. You know the presidency is a gift from God.

Alam ninyo lahat dito sa kwarto nobody really give me a Chinaman's chance to win. Pati ako. But somehow I really do not know. It's a --- it's part of destiny na maski ayaw mo --- kayo mismong mga pulis ilang --- ayan o military, "Rod, tumakbo ka."

And yet God has just invented a fear to make you reach to that place. So I asked myself never mind about God, you just ask yourself what am I supposed to do here? The people elected me and the... What are their cravings? Iyan ang problema.

And that is why even without money, even without an organization, I won because I was just simply carrying the message. The message was: Hoy, maawa po kayong mga pulitiko sa amin. Nagkakandahirap na `yung mga anak namin karami ng adik and we have lost the right to use public streets, public alleys, public places, public conveyances kasi sinasaksak, hinoholdup. And this time, the most horrible crimes are committed in the Philippines because they kill the husband, they kill the wife, they rape daughters pati infants.

Pati pari nakasali na. I met the victim doon sa `yung sa Bacolod ba `yon? Ah sa Lapu-Lapu. Hindi sir `yung ano `yung nirape ng pari? To use the vulgar word "fininger niya nang fininger". So nandiyan kanina `yung ano --- begging for protection. Somebody must have guided them here. Sabi ko dito na lang muna kayo sa Davao. Pati pari nagsha-shabu na with denial. And they complain.

Let me be very frank to the p\*\* --- kayong mga pari. Nagmisa kayo tapos sabi ninyo, "Mamatay sana si Duterte." Mga u\*\*\* kayo. Ngayon gumanti ako. Bakit kayo lang? Why? Do you have a monopoly of wishes to feel ill against anybody?

Eh sinabi ko oh kayong mga adik, `pag wala kayong pera kailangan niyo ng shabu, maghanap kayo ng tubo hampasin mo `yang ulo ng mga bishops na `yan. Oh ngayon nagalit sila. Lahat ng pari nagrereklamo their lives are in danger because of my fumigations in public.

P\*\*\*\*\* i\*\* wala akong pakialam. Kung mamatay kayo sa kag\*\*\*\*\* ninyo inyo `yan. You started the g\*\*\*\*\* b\*\*\*\*\* fight. Kayo `yung in a solemn sacrament of the mass of the Catholic Church, hiningi ninyo ang kamatayan ko sa Diyos.

Mabuti't na lang ang Diyos hindi nakinig, eh kung nakinig? Eh `di nahulog na `yung eroplano ko. Mga g\*\*\* pala kayo Diyos `yan eh. Iyan oh. They say that it's omnipotent, too powerful. It's God who gives and takes away life.

Kaya doon ka magsabi sa Diyos "patayin mo si Duterte." Eh kung pumayag? Magsabi oh sige marami na rin itong atraso. Pati ang mga babae nagdadasal na nga.

Ngayon mag-ganti ako sa kanila. And they tried to picture me na 'pag namatay sila, 'yung may --- I should be blamed because of my outburst. The hell. Wala akong pakialam kung mamatay kayo ngayon lahat. Maluwang pa ang ating cemetery.

Or if you want to be cremated I could lump you in a... T\*\*\* i\*\*, making me feel guilty about my... Kayo 'yung nag-una. Ang problema kasi nitong Katoliko, let me explain, this is not politics. This is about my role in government. Gusto kasi nila masunod sila.

Kayong Katoliko, kayong mga pari you have been at it ever since. Nobody would criticize you even before --- not even the slightest irritation. Takot kasi ang mga politiko, takot ang mga taga-gobyerno sa inyo kasi 'pag kinalaban kayo, the popular notion that if you are an opponent of the Church, you lose.

Anong pakialam ko. I'm on my third last three years. Third year of the last three years. So? Ano? Bakit ako matakot matalo? Hindi naman ako makatakbo ng eleksyon. Kaya babastusin ko kayo.

Early on sinabi ko, kaming mga taga-Ateneo, Sonny Dominguez, sinabi ko that we were fondled by the priest sa Ateneo diyan. Kaya itong katabi ko, Ateneo man 'to, tanungin mo kung paano nabugbog 'yung bayag niya.

P\*\*\*\*\* i\*\* kayong mga pari kayo I\*\*\*\*. Dapat nga kayo ang pagbabarilin eh. And you have raped a child. You have raped a woman yesterday --- o maybe acts of lasciviousness. Kayo 'yang nagbabastos may pari pa pumasok ng shabu. But when you criticize me and government, kayo ang malinis.

Look, I tell you, you better read. Sayang ang pinag-aralan ninyo. You better read the history of the Roman Catholic faith. And how they manipulated the whole g\*\*\*\*\* organization even a Pope having an incest, f\*\*\*\*\* his daughter to produce a Pope. Ganun ka... So stop scaring people about your holiness. Do not scare me about you dying and getting me blamed.

p\*\*\*\* j\*\* mamatay na kayong lahat wala akong pakialam. That's why I said your God is stupid. If your God is listening magdasal ka, "mamatay sana si Rodrigo Duterte." Totoo ba 'yang Diyos ninyo, eh di g\*\*\* 'yan. My God does not listen to stupid priests and bishops.

Pumunta 'yung Pope doon sa Dubai, sinabi ng Pope na 'yung mga madre konsumo ng pari 'yan. Eh kung sinabi ko sa inyo noon, sabi ninyo sinisiraan ko kayo. O ngayon, dalawa na kami ni Pope.

O baka si Pope meron rin kanyang tinatago. Kaya magdahan-dahan kayong Katoliko. Better shut up or else. Ako, wala ako. Sina --- extrajudicial killing? Ah, prove it. But killing, yes. I will kill you, yes. Destroy my country and I will kill you.

You force trafficking and allowing my children to waste, papatayin kita. What else should I do? Kayong mga --- pati human rights. Ako, you know, just to be --- itong drug war. Ni --- ito si Ms. De Lima which is also a dilemma for everybody, mind you.

Inimbata --- inimbata niya ako for investigation dito. And lahat ng military pati police dito, ipinatawag niya pati ako. Wala siyang finding. Ang may findings ang human rights. Wala namang sinasabi na ako. Kasi hindi naman talaga ako nagsasabi, "Patayin mo si Enrique, Gomez, patayin mo." Sinabi ko, sirain ninyo. Destroy the apparatus of the drug and if you have to kill, go ahead, especially so if you are now the --- at the receiving end of a vicious attack.

So mamili ka, buhayin mo 'yang drug lord o drug addict o ikaw? Ilan na ang pulis namatay ko? Have you ever thought of 'yung mga pulis ko na --- and you never give importance to the life of the police and the military. Nangangamatay na nga sa raid. And when I go to the mountains to visit the --- kasi 'yung iba taga-Isabela, Abra. I go there to commiserate.

Ilang pulis na ang namatay? Almost 500 in connection with this drug war. It is money, it is a global problem and we are beset with so much supplies left and right. One thirty seven. Ngayon ha, sa total lang July to March, 137 'yung individual, 49 ang drug-related, ang operation, ang injury is 527. Military killed-in-action, 523, drug trade --- sa Mindanao 'to karamihan.

Marami casual --- ah sa Marawi it's 160. Wounded-in-action is 3,538. PDEA, hindi masyado. Tapos sabihin ninyo na, anong gawain ko sa --- what am I supposed to do? If there's so much supply, there's so much people who want to eat money everyday. Tapos ganun lang 'yan. Kasali pa mga pulis. Anak ng...

I'd like to call the attention of --- nandito ba si Obreo? Are you here? Colonel Obreo. He was assigned the police chief ng Bacolod. T\*\*\*\*\* ang p\*\*\*. May inambush doon na --- well I don't know kung sino nag-ambush nung si Cano, Councilor Cano. Binisita niya sa ospital ang ulol. Iniwanan pa 'yung dalawang security. Kaya ako nagalit. So I was in that party, I said, "Is your..." Mabuti't na lang nasa labas siya.

Sabi ko, "Is your police chief here? Because if you are, you stand up, you are fired." Ginanun ko sa program. Pagda --- pagbaba ko sa eroplano direktong na ako. Papaano tayo nito ma --- how can we find salvation in this problem if ganun ang...? Krrrrkkk.

Tapos itong mga pari nonchalant. Iyong mga biktima, mamatay na, ma-rape na, magpalibing, magbayad pa. P\*\*\*\*\* i\*\*, bayaran mo pa 'yang ospital, bayaran mo pa 'yang simbahan mo. Napaka-g\*\*\* na relihiyon 'yan.

Dalhin mo ng linggo, mumurahin ka ng pari because they do not bless people on Sunday, dead, carcass. Carcass naman 'yan. It's not even a... Ayaw nilang mag-bless ng carcass.

Isipan nga niyong mabuti. Palibhasa wala kayong pinag... Ilang --- ilang taon ba kayo nag-aral? My God. Your IQ are --- 'yung IQ ninyo. Your IQs are deficient.

Tapusin ko lang itong speech ko na ito kay nandiyan man 'yung gumawa nito. Sandali lang man ito.

Since my assumption in 2016, I have committed to eradicate the drug problem. I've done that.

My decision to unmask these drug personalities was anchored on my trust in the government agencies who have vetted and validated the narco-list.

The Department of Interior and Local Government has filed administrative cases against them --- local officials today, March 14, 2019, at the Office of the Ombudsman. The Anti-Money Laundering Council and the Presidential [Anti]-Corruption Commission conduct their respective investigations; the results of which will aid us in filing airtight cases against them.

Remember that "public office is a public trust"; an official's right to privacy is not absolute and there is a compelling reason to prioritize the interest of the state and the people.

As your President, my ultimate concern is the pursuit of order in government and the welfare of the Filipino people. My administration assures you of our dedication to change the lives of Filipinos now, not tomorrow.

So this is already a validated report. May I start.

Validated narco-politicians, vice mayors and up:

Number one, Ferdinand Dancel Aguinaldo, Mayor of Pasuquin, Ilocos Norte; Jesus Celeste, your name pops out every year, Representative, Congressman, first district of Pangasinan; Marjorie Apil Salazar, Mayor of Lasam, Cagayan; Jefferson Khonghun, Mayor of Subic, Zambales; Erlon Agustin, Mayor of Camiling, Tarlac; Cipriano "Goto" D. Violago Jr., Mayor of San Rafael, Bulacan; Jeffrey Khonghun, Representative, first district of Zambales; Eulalio "Larry" Mendoza Alilio, Mayor of Lemery, Batangas; Raul Santiago Palino, Mayor of Teresa, Rizal; Cecilio "Ilyong" C. Hernandez, Mayor of Rodriguez, Rizal; Loreto "Ambin" S. Amante, Mayor of San Pablo, Laguna; Juan "Danny" Toreja, Mayor of Ibaan, Batangas; Roderick Alcala.

Sus itong mga Alcala. Itong si Proceso, 'yung Secretary of Agriculture ni PNoy. Alam mo sir, naubos na kayong mga Alcala diyan sa --- patay lahat. Hindi talaga kayo nadala. Mayor of Lucena City. I just visited Lucena. I met you there. Thank you for greeting me but you know you are here and you have always been there in this list for many years now.

Kung pera ka, marami na. Nakaiipon ka ng mga --- siguro 50 million. Hindi mo na maubos 'yan. Huwag mo na hintayin mamatay ka. Susmaryosep. Kung may mga anak ka, kawawa ka. May mga ano kasi, may mga tao sa

mundo na --- hindi mo pwedeng lokohin. 'Yung ginagawa mo kaming kengkoy dito sa gobyerno, parang wala na kami.

Ako, if I cannot dispose of you, neutralize you, I will resign as President. Inutil ako. So what is --- he may sitting before the top general of the Armed Forces pati police. Eh ako mismo, wala akong ginawa. Magsabi 'yan sila, "Sundalo lang kami, anong inutos mo? Wala ka namang inutos. Nakita mo itong bayan natin nagkakanda-l\*\*\*\* na.

Bruno T. Ramos, Mayor of Bay, Laguna; Caesar Perez, Mayor of Los Baños, Laguna; Dennis Linco Hernandez, Vice Mayor of Rodriguez, Rizal; Rommel Ayuson, Board Member, Rizal Province; Nieves Cabuñalda Rosento, Mayor of El Nido. Sabagay narinig na kita ma'am noon pa.

Jesus... Jesus --- Julius pala 'to. Julius Ronald "Junjun" L. Pacificador, Mayor of Hamtic, Antique.

Itong, when was the last time I read the surname Pacificador? Huwag na lang baka ma-insulto ka.

Jed Patrick Escalante Mabilog, Mayor of Iloilo City, dismissed from service. Alam mo I'd like to inform the US Embassy.

I thought I gave you a list noon. Kung nakalusot itong mayor na ito I'd like to ask the embassy, bakit ninyo nabigyan ng...? Nanghingi kayo ng listahan, ibinigay ko sa ambassador ninyo so that Filipino addicts who would go there only to destroy your country, will be denied visas.

I think I remember I gave you a copy and the name of this mayor, because he's so famous, was there definitely. Now, I'm asking bakit nandiyan sa America? If indeed he is in America. Or if he's not in America, I'm sorry but maybe in Canada.

Siegfredo "Salagunting" Betita, Mayor of Carles, Iloilo; Mariano M. Malones Sr., Mayor of Maasin Iloilo; Ariel T. Alagos, Vice Mayor of Culasi, Antique; Vicente Areño Loot, vice --- ah no, Mayor of Daang Bantayan --- but I think he did not file.

There are about four incumbents dito na... Si Loot sa awa ng Diyos kasi dalawang beses na na-ambush. Eh bakit naman ninyo inambush? Sinong nag-ambush kay Loot? Kindly raise your right hand? O left hand na lang if you are lying.

Isa ka pa. You know, Mr. Loot, you went to PMA. You were educated on a scholarship of the people's money because we wanted to good --- a good soldier.

Money of the republic was spent for you to be a soldier. Tapos ngayong na-general ka sa police, kayo ni Garbo, ganun ang gawain ninyo sa Pilipino? It was during that time na-assign kayo sa Bacolod --- sa Visayas, kayong dalawa ang naglaro.

You were the one protecting --- ikaw Garbo was protecting Loot. So bakit ka lumusot sa... Let me ask you sa PMA? Supposed to be men with honor and... It's the home of the patriots of the Philippines. Why were you included there to study? Gastos ng tao pati gusto mong patayin ang Pilipino ngayon. Naliligo sila ng dugo nila.

Franz Cabilao Sabalones, Vice Mayor, San Fernando, Cebu; Vicente Sofronio Veloso, Representative 3rd District of Leyte; Jamar A. Mansul, Mayor of Hadji Muhtamad, Basilan; Gamar Ahay Janihim, Mayor of Sirawai, Zamboanga del Norte.

Itong --- itong mga tao mo dito Mayor, nandiyan lahat. Drugs, kidnapping, lahat na. Ang sagot ko diyan maski sa Cabinet ano --- "good, ganun, ah ganun. Sinisiraan ka Rod ganito." Sige lang, mag-abot 'yang panahon nila.

Crisinciano Mahilac, Mayor of Sinacaban, Misamis Occidental, remnants ito ni --- remnants ito ni Parojinog. Ezel Villanueva, Mayor of Calamba, Misamis Occidental; David Navarro, Mayor, Clarin, Misamis Occidental; Jason Almonte, Mayor Oroquieta City, Misamis Occidental; Pablo T. Matinong Jr., Mayor, Sto. Niño, South Cotabato; Albert D. [Palencia], Mayor of Banga, South Cotabato; Abubakar Pendatun Maulana, Mayor of Palimbang, Sultan Kudarat; Roberto "Jimmy" M. Luna Jr., Mayor of Lingig, Surigao del Sur; Montasser Meling Sabal, Mayor of Talitay, Maguindanao; Mamaulan Abinal Mulok, Mayor of --- ito naulit ko, sige lang.

Ito pa Rasul Mabang Sangki, Mayor of Ampatuan, Maguindanao; Abdulwahad Sabal, Vice Mayor of Talitay, Maguindanao; Ohto Montawal, Vice Mayor of

Datu Montawal, lugar ninyo, pangalan ninyo; Anida Dimaukom, [Vice] Mayor of Saudi Ampatuan, Maguindanao, babae ito; Jamal Abinal Pangandamun a.k.a Gamboa Abinal, Vice Mayor, Maguing Lanao del Sur; Arafat Alim Salic, Vice Mayor of Marawi City.

So isang board member, for the nonce, for the time being ito lang muna. Representative... Kasi validated na eh. Iyong iba I just want to be doubly sure.

I'm not really interested in releasing it before or after the elections because I do not have the slightest intention to hurt anybody or to be a cause of the failure of an election of a certain man who wants to serve the public. Wala akong ano...

So 'yung iba, huwag na muna kasi hindi ko sigurado eh. 'Yung nai-file na, medyo validated na, then we can say that we have gathered enough proof. You know, in addition to these, maraming bobo abugado eh. Marami diyan.

Our job is to reach that standard of probable cause. Ang judge is proof beyond reasonable doubt. Ang pulis, ang Armed Forces, you only have to come up with probable cause. Is he probably the criminal of this act? Then if he is, I must...

Remember the word "probable". It does not require you to be very sure. But sa korte --- from the fiscal to the court, there has to be a prima facie. They're all people --- they pronounce it as prima facie evidence.

There is a prima facie because on a second review, it is now a lawyer who will decide. Ang kanya is only prima facie case. Is the evidence strong enough that maybe --- that maybe you can secure a conviction?

Now 'yung judge, iba 'yung kanya. He has to prove the guilt beyond reasonable doubt. I'm referring to the prosecution. And if that standard is reached --- the criteria --- then it's conviction.

Eh magpaloko kayo ng --- minsan 'yang nagsusulat mga bobo naman. As if they are now trying to find out whether you have evidence strong enough to convict you. Eh hindi nga, mga bobo nga eh. Hindi nila alam basta bira nang bira, wala namang alam.

I said there's a saying in the Visayan. It's part of the dialect. Little learning is a very dangerous thing. So I hope that we were able to discuss...

May addition ako. Ah 'yung sabi ni Secretary Año, Caraga --- itong... May I know if the Caraga guys are here? Sino ho ang sa Caraga? Is that the lady at the end of the table? I'm sorry, ma'am. Totoo talaga. I'm old, 72 --- 73 -- - 74 pala. T\*\*\* i\*\*. My...

Ma'am, here. Secretary Año was complimenting me with regards sa inyong -- you decided to.... [*Y\*\*\* na ito, (refers to mic) bumaba man. Mahina na rin kagaya ng karamihan dito.*]

You decided to merge the ROTC with the RPOC. It's a good move actually.

But you have to...
